DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

JAN-JULY, 2026 | VOLUME 8

NEWSLETTER

This newsletter showcases the achievements of the Computer Science & Engineering Department (NBA Accredited) of Maharaja Surajmal Institute of Technology. The CSE Department has published numerous journal entries, patents, articles, books, and research on various topics from all the fun and educational events organized by the department faculty, students, and societies.

INSIDE THIS ISSUE

OUR VISION

To maintain academic excellence aiming to produce competent technocrats imbued with ethical values to serve the national emerging technological needs.

PEO

- To acquire a deep insight in mathematical, scientific & analytical skills and adopt self-motivating lifelong learning to explore cutting edge technologies.
- To prepare graduate to meet the evolving technological needs of the country by promoting innovation, ethical practice and a commitment to serving society.
- To acquire necessary technical knowledge to pursue successful professional career posing leadership and team spirit.

OUR MISSION

M1: To impart quality education to the students by providing effective teaching, learning, research and application based innovative environment.

M2: To inculcate creativity, team-spirit, leadership, and ethical competence through continuous collective curricular, co-curricular and extracurricular activities.

PSO

- Ability to demonstrate the comprehended fundamentals of computer engineering to resolve mathematical and computational problems.
- Ability to explore evolutionary changes in computing by skills acquired through computer engineering principles and provide solution through innovative ideas.
- Ability to imbibe knowledge in modern computer environment and languages to gain additional skills for successful career and higher studies.

MESSAGE FROM THE HODS

PROF. NARESH KUMAR
(HOD-1ST SHIFT)

DR. NEETI SANGWAN
(HOD-2ND SHIFT)

It gives us immense pleasure to present this edition of the Department of Computer Science & Engineering Newsletter, showcasing the vibrant academic, research, and professional journey of our students and faculty. The Department continues to foster a culture of academic excellence, innovation, research, industry engagement, and technological advancement. We are proud of the achievements of our students and faculty in academics, research and publications, technical competitions, projects, conferences, and co-curricular activities.

The establishment and upgradation of the Centre of Excellence in Computational Intelligence and Machine Learning further reflect the Department's commitment to advanced learning, practical training, and research. These accomplishments reflect the dedication, creativity, perseverance, and collaborative efforts of our students and faculty members.

CENTER OF EXCELLENCE

2025

₹18 Lakh

ADDITIONAL GRANT |
2026 UPGRADATION

The Computational Intelligence and Machine Learning Laboratory was established under the Department of Computer Science and Engineering, with support from Petronet LNG Limited under its CSR Initiative.

LABORATORY ESTABLISHED

The Department of Computer Science and Engineering has successfully established the Center of Excellence in Computational Intelligence and Machine Learning Laboratory with financial support of **Rs 30 lakh** from Petronet LNG Limited under its CSR initiative. The laboratory is now operational for practical training, student projects, research, and advanced learning in Artificial Intelligence, Machine Learning, and Computational Intelligence.

An additional grant of **Rs 18 lakh** was received from Petronet LNG Limited, Delhi, in 2026 for the upgradation of the Center of Excellence in Computational Intelligence and Machine Learning under the CSR scheme.

BEST FACULTY AWARD

Dr. Geetika Dhand, Associate Professor, Vidwan ID: 240999, was awarded the “Best Faculty–2025” award on 14 February 2026 in recognition of her outstanding contributions to the institution in academics, research and publications, and co-curricular activities.

BEST EMPLOYEE AWARD

Ms. Rashmi, Lab Assistant, was awarded the “Best Employee 2025” award on 14 February 2026 in recognition of her outstanding contribution, dedicated service, and valuable contribution to the institution.

PROUD PROFESSIONAL ACHIEVEMENT

Dr. Pooja Kherwa, Assistant Professor, Vidwan ID:243726 , has been elevated to the prestigious grade of IEEE Senior Member.

This significant professional recognition reflects her technical excellence, professional experience, and valuable contributions to the field of Computer Science and Engineering.

The elevation to IEEE Senior Member is a distinguished recognition awarded to professionals who have demonstrated substantial experience and notable accomplishments in their respective fields.

FACULTY ACHIEVEMENT & RECOGNITION

Prof. Naresh Kumar, Vidwan ID: 241001 has successfully co-guided PhD scholar Bharti Goel in completing her thesis titled "Optimize Performance of Web Search Engine Using Blockchain Technology" at Sushant University (2026).

Prof. Naresh Kumar, Vidwan ID : 241001 , has been awarded Best paper award for his paper titled "Scalable CNN Framework for Automated Plant Disease Classification" , in 2nd National Conference on Recent Trends in Climate Change, Energy and sustainability , February 27 -28 , 2026.

Dr. Amita yadav , Associate Professor, Vidwan ID: 241017 has been awarded a Certificate of Appreciation (2026) in recognition of her valuable contribution as a Guest Editor for Proceedings on Engineering Sciences.

Dr. Geetika Dhand, Associate Professor, Vidwan ID: 240999, has been awarded a Certificate of Appreciation (2026) in recognition of her valuable contribution as a Guest Editor for Proceedings on Engineering Sciences.

Dr. Nishtha Jatana, Associate Professor, Vidwan ID : 241879 , has been awarded Best paper award for her paper titled "Unseen Emissions: Granular Carbon Footprint Gaps for Indian Staples", in 2nd National Conference on Recent Trends in Climate Change, Energy and sustainability , February 27th-28th, 2026.

FACULTY ACHIEVEMENT & RECOGNITION

Dr. Shaily Malik, Assistant Professor, Vidwan ID : 240998, has been awarded Best paper award for her paper titled “Unseen Emissions: Granular Carbon Footprint Gaps for Indian Staples”, in 2nd National Conference on Recent Trends in Climate Change, Energy and sustainability , February 27th—28th, 2026.

Ms. Sabnam Kumari, Assistant Professor, Vidwan ID : 153174, Ms. Vaani Garg, Assistant Professor, Vidwan ID : 438031, Ms. Bhawna Bhardwaj, Assistant Professor, Vidwan ID : 658346, Mr. Deepak, Assistant Professor, Vidwan ID : 658346, have been awarded Best paper award for paper titled “IoT-enabled wearable systems for healthcare ” and “A multimodal AI-based interview enhancement system with real-time adaptive feedback”, in 2nd National Conference on Recent Trends in Climate Change, th th Energy and sustainability , February 27 -28 , 2026.

Dr. Nishtha Jatana, Associate Professor, Vidwan ID : 241879, Ms. Sabnam Kumari, Assistant Professor, Vidwan ID: 153174, organised one week offline FDP titled “Mindfulness in Motion: Strengthening Academic Performance through Meditation” on 25th-29th May 2026.

the GameJam Track at Brainwave 2.0 (DTU).

Suhani Sharma - CSE-3, 4th sem **20 JAN**
secured 2nd Position in One Act Play at Anugoonj Prelims.

Abhinav - CSE-2, 4th sem **20 JAN**
secured 2nd Position in One Act Play at Anugoonj Prelims.

Arav Arora - CSE-E, 4th sem **21 JAN**
secured 2nd Position in Battle of Bands at IITM Janakpuri.

Ayush Naik - CSE-1, 6th sem **30 JAN**
secured 1st Position in SPARDHAA'26 (Football).

Abhinav and Suhani Sharma **5 FEB**
CSE-2 and CSE-3, 4th sem
were runner-up in One Act Play at Anugoonj Mains.

Jiya Jain - CSE-3, 4th sem **07 FEB**
was selected for the LinkedIn CoachIn Program.

Aarav Aggarwal, Shaurya Aswal & Riishabh Jain **8 FEB**
CSE-2, 4th sem
were runner-up in the Serve Smart Hackathon at IIT-BHU.

Raj Pandey - CSE-2, 6th sem **10 FEB**
won a Silver Medal in the 400×4 Relay at Sports Day.

Aditya - CSE-3, 4th sem **12 FEB**
secured 1st Position in the Ideathon at MSC-MSIT.

Ashish Shukla - CSE-4, 4th sem **12 FEB**
was 1st Runner-Up at Hack Avensis 2026.

STUDENT ACHIEVEMENTS, INNOVATIONS & COMPETITIONS

Naman Bhatia - CSE-3, 6th sem
won 3rd Prize at MSC Ideathon.

12 FEB

Abhinav - CSE-2, 4th sem
secured 3rd Position at SABRANG,
Deshbandhu College.

16 FEB

Roshani Singh - CSE-2, 4th sem
ranked in the Top 10 at INOVISSON
Ideathon 2026.

20 FEB

Ayush Naik - CSE-1, 6th sem

SPECIAL HIGHLIGHTS

2nd NATIONAL CONFERENCE ON RECENT TRENDS IN CLIMATE CHANGE, ENERGY AND SUSTAINABILITY (NCRTCES 2026)

The Department of Computer Science and Engineering, Maharaja Surajmal Institute of Technology, organised NCRTCES 2026 on 27–28 February 2026, co-sponsored by the Ministry of Earth Sciences (MoES), Government of India. The conference was led by Organising Chair Prof. A.K. Srivastava, Convener Prof. (Dr.) Naveen Dahiya, and Co-Conveners Dr. Geetika Dhand and Dr. Nishtha Jatana. Prof. (Dr.) R.K. Khandal, Director – Technology and Innovations,

Premier Green Innovations Pvt. Ltd., was Chief Guest on Day 1, and Sh. Pramod Narang, Director(Technical), Petronet LNG Limited, was Chief Guest on Day 2. Dr. Jagvir Singh, Scientist G, MoES, New Delhi, was Guest of Honour on both days and spoke on scientific research, accurate weather forecasting and climate-resilient planning. Prof. S.K. Garg, Director, East Delhi Campus and Former Pro Vice Chancellor, DTU, was Guest of Honour on Day 1 and spoke on sustainable urban planning and the role of higher education institutions. Keynote addresses by experts from NSUT, Climate Trends, VIT-AP University and Central University of Gujarat were followed by nine parallel technical sessions across nine tracks, with a strong focus on AI for sustainability and energy efficiency. The conference proceedings volume was also released.

The conference aimed to provide a multidisciplinary platform for researchers, academicians, policymakers and industry experts to deliberate on recent trends in climate change, energy and sustainability. Through insightful keynote addresses, technical paper presentations and expert deliberations across all nine tracks, the conference successfully achieved its objectives and concluded on a highly productive and successful note.
