

Motivational lecture

A motivational lecture was organized by Department of Applied Sciences which was delivered by Mr. Beni Kinha an expert in “Life Skill: Mental Health: Management: Corporate Spirituality” and founder of “Nectar Factor” on 8 February 2018 at MSIT. All the faculty members of MSIT Morning and Evening Shift were present in the session. Mr. Kinha shared his vast experiences in the field of corporate training with the audience in the most interactive and engaging style and communicated his insights regarding the values that boost teaching and learning.
