

## **Alumni Interaction Session January 2018**

MSIT continued with the Alumni Students talk sessions which were started last year with an interactive session with one of its alumni. The session focused mainly on career opportunities post a Master's degree in management. The students of MSIT got a chance to meet and talk to the alumni, on Saturday, 20th Jan'18.

The speaker for the 2nd Alumni - Student talk was:

Mr. Siddharth Sharma (ECE 2010 batch) – Working as Functional Consultant with The Royal Bank of Scotland.

The talk was focused on job profiles offered to students specifically within the Banking and Finance (BFSI) domain post their MBA. The talk also focused on latest trends within the banking domain namely-

1. Analytics and machine learning
2. Block chain and bit coins
3. Augmented reality use cases within the banking domain
4. Credit and fraud analytics within Banking domain.

The students also got an opportunity to interact with Mr. Siddharth Sharma on a one-to one basis. Moreover, many of the students raised various queries regarding career in banking, post-graduation etc. to Mr. Sharma who was able to satisfactorily address most of their concerns.

Convener: Dr. Meen Rao, Associate Professor, ECE Dept.
