

AVENSIS 2018

MAHARAJA SURAJMAL INSTITUTE OF TECHNOLOGY

Maharaja Surajmal Institute of Technology successfully organized Avenis – The Annual Technical Fest of MSIT on January 11th& 12th. The event was a phenomenal success in all aspects and witnessed massive footfall exceeding 5000 in all the events that were held in the 2-day extravaganza. This was made possible by the hard work, dedication and the efforts put in by all the student volunteers who worked day in, day out to make Avenis 2018 an unprecedented success.

This Flagship event was started by the blessing of our elders and lamping the lights by K.P Chaudhary(Director MSIT) and J.P Singh(Director MSI) emphasizing the motto “**TamsoMaaJyotirGamya**”, to declare the fest open on January 11th .

About SMES

Inspired by the life and ideals of Maharaja Surajmal, a great Indian patriot and enlightened ruler of Bharatpur during the eighteenth century, Surajmal Memorial Education Society was established in 1972 and registered under Societies Registration Act 1860. The main aim of the Society is to disseminate quality education in the technical and professional areas, especially those beneficial to the students from rural and hitherto educationally traditionally deprived regions of our country. To achieve these objectives, The Surajmal Memorial Education Society has established Maharaja Surajmal Institute at Janakpuri, New Delhi. The membership of SMES is spread over all parts of India. However, the main component is from the states of Uttar Pradesh, Delhi, Haryana and Rajasthan. Under the leadership and guidance of its president, Shri S.P.Singh, the Society looks forward to expand its educational programs

in the newly emerging areas and to serve as a participant in the efforts to develop appropriate human resources for the country's development.

The AVENSIS team worked extra hard this year to make the event a grand success in a very short span of time facing many challenges. AVENSIS also present plethora of enrapturing events which are challenging yet amusing and amalgamating both Technical and Non-Technical events. The two days extravaganza is a paranoia of high octane energy and zeal. We endeavor to deliver surpassing emanation every epoch.

Presenting you the various departments of AVENSIS:-

- For the machines is the reflection of human progress encapsulated in small chips now run the world. Following this idea, we have Robotics department. The event under this department:

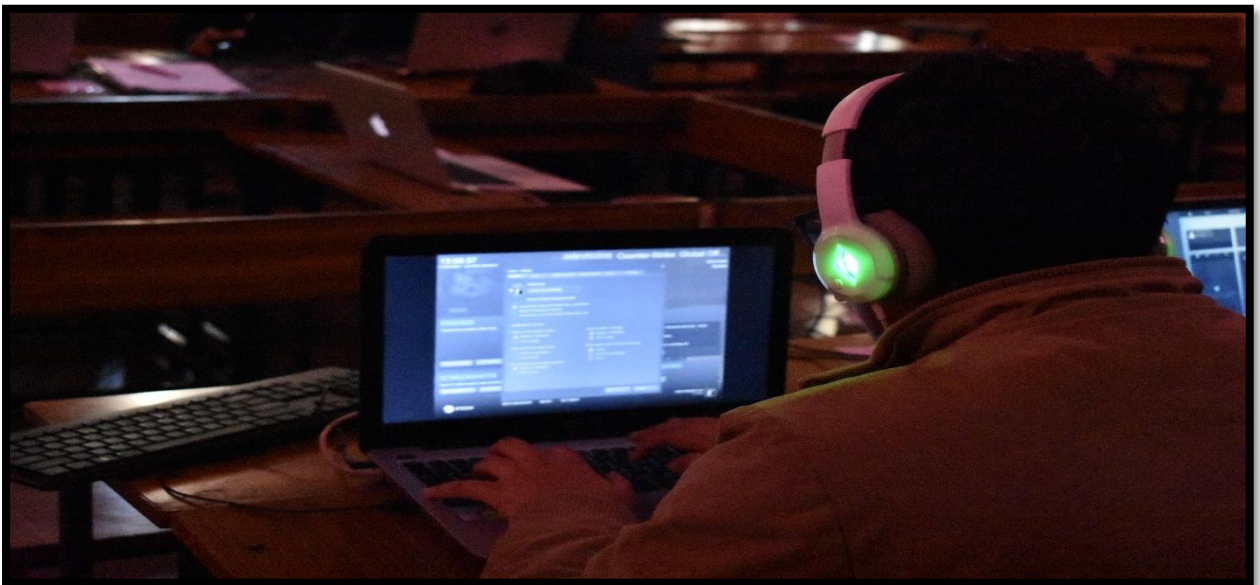

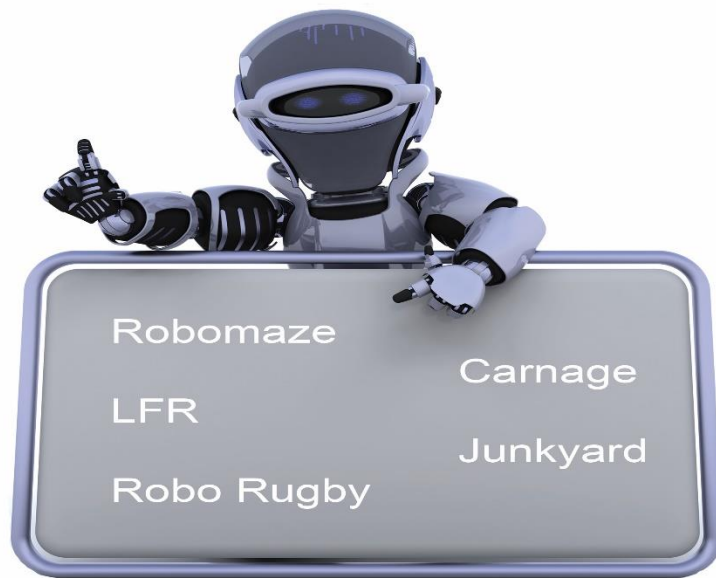

- No knowledge ever goes waste, for every page read and every page recorded, a thought has derived the troubles us, motivates us and inspires us. **Literary and quiz** department truly stand by this world. The event under this department was:

- For the machines to work according to our wish and our benefit, internal programming is necessary. With this idea Avensis present **Technical** department. The event under this department comprises of

- For all work makes Jacks a dull boy, and behind every great creation, you need a spark of creativity. Presenting the events of **Fun and Creative** Department:

The main objective of AVENSIS-2018 was to simplify the obscurity, nurture the budding talent and giving a platform to present their skills. The aim was to provide them with lots of managerial and technical experience and a sense of togetherness while having a wonderful time in order to refurbish their personality and bring out a better person than before. Not only this, Avensis also aims to uphold the cultural significance within the technical and educational milieu. The fest galvanizes the student to nurture their persona as well as hidden talent and skills. Avensis embeds vivacity, gregariousness, radiance, zeal and helps to boost their confidence. This zeal and enthusiasm among students will help them to evolve into a vibrant human being, which will lead them to great places in their lives and the nation will get some great citizens.

Before terminating, the whole team of Avensis would like to thanks Director Sir and Chairman Sir because such a great was impossible without their blessings and constant support.
