

Lecture on Gender Sensitization

Department of Electrical & Electronics Engineering organized a lecture on “Gender Sensitization Issues” at MSIT on 15.5.18 at 10:30am in Room No. 206. The Lecture was held as an Endeavour of Delhi Police unit named “Special Police Unit for Women & Children “(SPUWAC).

The purpose of the lecture was to create awareness about issues related to “Safety of Women and Children” through lectures and nukkad naatak. The lecture was attended by the entire MSIT Staff. It was effectively delivered by Dr. Pooja Goel, who is an Asst. Prof. at Shahed Bhagat Singh College of Delhi University.

It was an interactive and enriching lecture which saw full participation of everyone present.
