

AVENSIS 2019

MAHARAJA SURAJMAL INSTITUTE OF

TECHNOLOGY

Maharaja Surajmal Institute of Technology, successfully organised its annual technical fest-Avensis 2019 on January 9th and 10th. The event was a remarkable success and witnessed a footfall of more than 2500 students from various reputed colleges. This 2 day extravaganza presented a plethora of exhilarating events which were challenging yet extremely intriguing. This success is wholly attributed to the handwork and dedication of the student volunteers who worked restlessly day in and day out.

This flagship event was started by lighting of the lamp by Shri Kaptan Singh (Vice Chairman, SMES), Dr. K.P Chaudhary (Director, MSIT) and Dr. RachitaRana (Director, MSI). With their blessings, the fest was declared open on 9th January.

ABOUT SMES

Inspired by the life and ideals of Maharaja Surajmal, a great Indian patriot and enlightened ruler of Bharatpur during the eighteenth century, Surajmal Memorial Education Society was established in 1972 and registered under the Societies Registration Act 1860. The main aim of the Society was to disseminate quality education in the technical and professional areas, especially those beneficial to the students from rural and hitherto educationally deprived people of our country. There are more than 9000 members of the society spread over all parts of India and abroad.

Under the guidance of Shri S.P Singh, the honourable Chairman of SMES, the society aims to expand its educational programs in newly emerging fields of study so as to aid in developing appropriate human resources for the development of the country.

The Avensis team put in tremendous effort this year to make this event a huge success. It was indeed a challenge to organise and plan the fest in such a short span of time but with the hardwork and dedicated efforts of the whole Avensis team, the fest turned to a memorable event. AVENSIS presented a wide range of enrapturing events; it was a perfect blend of Technical as well as Non-Technical events. There were a total of 33 events held under Avensis 2019.

The annual fest was conducted under four departments- Robotics, Fun and Creativity, Technical and Literary and Quizzes.

- Anything humans can do, robots can do better. Exploring this vision, the **Robotics Department** presented various events- Robo Wars, Line Following Robot, Robot Rugby, Carnage, Robo Maze and Roboworld.

- Every word ever written motivates and inspires us. Standing by these words, the **Literary and Quizzes Department** hosted the following events- Showlocked, Comedy Adda, Face the Mask, Eloquence, Meme-o-Maniac, Tape a Tale, Creative Writing, Extempore, Management Quiz and Parakh.

- Programming becomes a necessity for making machines to work according to our needs. Realising the importance of programming in today's world, the **Technical Department** conducted the following events- Mock Stock, Code Shuffle, PUBG, CS Go, COD, FIFA, NFS, Hackathon, Brocode, CTF and Codify.

- All work and no play, makes Jack a dull boy. Realising the importance of fun and creativity in life, the **Fun and Creative Department** organised the following events- Run Bhoomi, Jung-e-Bollywood, Foodstagram, Gali Sports, The Unearth Secret, Triathlon and The Ad mad Show.

The main objective of Avensis, is to provide a platform to college students to showcase their prodigious talents. The fest aims to galvanize students to nurture their hidden talents and skills. The subtle ambience, tranquility, and radiance of the fest provides an empowering environment to the students. The aim of the fest, was to provide students with proper technical exposure while giving them as wonderful time to refurbish their personalities and come out as a better person than before. Avensis provided students with the perfect opportunity to come together and compete against each other as well as learn from each other.
