MAHARAJA SURAJMAL INSTITUTE OF TECHNOLOGY

CSE 2nd Shift

Report

An expert lecture on "Mobile Learning Technology Impact and Inside Stories" was conducted by Department of CSE, 2nd Shift on 7th September 2019. The lecture was held in room no. #406 at 12 p.m. The lecture was delivered by Prof. Joan Lu.

She is a professor in Informatics at the University of Huddersfield, United Kingdom. Her extensive research covers information access, retrieval and visualization, XML technology, object oriented technologies, agent technology, data management systems, security issues and Internet computing. She has been an invited speaker for industrial-oriented events and published 5 academic books and more than 160 papers. Professor Lu serves as a member of the British Computer Society (BCS), BCS examiner of Advanced Database Management Systems, and fellow of the Higher Education Academy (UK). She is a founder and Editor-in-Chief for the *International Journal of Information Retrieval Research*.

The lecture started with a welcome note and bouquet presentation by Director MSIT. There on the expert was invited for the expert talk. The lecture was attended by the students of 2nd and 3rd year of CSE & IT along with faculty members. The lecture was practical, informative and interesting. Prof. Joan Lu demonstrated the methodologies and usage of the mobile and technology in the conventional teaching. The main focus of the lecture was on the centralized learning for students to visualize the things they are studying.

The lecture was followed by a questionnaire session, which was very interactive. Then the Speaker was facilitated by the Director MSIT by way of memento presentation. The lecture was concluded by a vote of thanks by Dr. Naveen Dahiya (HoD, Department of CSE).
