Resource Persons: Mr. Ram Prakash Yadav, Founder & Managing Partner, sr4ipr Partners, Patent & Trade Mark Attorneys,

The half day workshop on the topic “IPR basics” was conducted for the faculty and students in Room no. 206 from 12pm onwards. Mr. Ram Prakash Yadav started his career in 1987, with a reputed Intellectual Property (IP) Law Firm, as an Advocate & Patent and Trade Mark Attorney and worked for more than 16 years with the Firm. He then served National Innovation Foundation (a society of DST, Govt. of India) as a National Coordinator – IPR. Subsequently, he worked with Intel Technology, India (a subsidiary of INTEL Inc. USA) as Patent Attorney for three years, an Indian MNC and lastly, Italian Embassy as Sr. Advisor –IPR for two years. He has thus earned an experience of about 31 years in the field of intellectual property rights (IPRs) practice. Mr. R.P. Yadav delivered lecture and gave knowledge about patents and copyrights to the audience. With great experience in this area, he delivered a fantastic talk on basic of IPR and cleared all doubts of listeners. The faculty members and students of the institute, who attended the workshop, were highly benefitted by the knowledge shared by the speaker. We are thankful to the Management, SMES and Dr. K.P. Chaudhary, Director, MSIT for their kind support and encouragement to organize the event. The event was highly appreciated by the participants.
