Mock Test

An Online mock test for third year students of (CSE, IT, EEE, ECE) was organized by Final Year Students along with the Placement Cell on 26 th Feb 2020. Test was hosted on HACKEREARTH platform and was completely online. Test duration for each slot of students was 2.5 hours. A total of 92 questions (82 from Logical, Quantitative and Verbal Reasoning, 6 Subjective questions and 2 Programming Coding questions) selectively handpicked from various campus drives were provided to students. Students found this opportunity to be very much helpful in their preparation for the oncoming placement season.
