Maharaja Surajmal Institute of Technology

Webinar on "Use of Technology in Education"

Date: 10th August 2021

Time: 3:00 PM to 3:30 PM

Conducted by: Department of Information Technology, First Shift

A webinar on "Use of Technology in Education" Under the National Education Policy (NEP) 2020 was conducted by Department of Information Technology, first shift on 10 August 2021 at 3:00 PM to 3:30 PM. The team of four faculty members were associated to make this webinar successful and informative namely Dr.Anupama Kaushik, Dr.Tripti Sharma, Dr.Suman mann and Dr.Prabhjot Kaur.

The talk was delivered by Dr.Suman Mann, Associate Professor, IT Department and the following topics were covered :

The Importance of Technology in Education
The Advantage of Technology in Education
The Recent Technological Tools and Resources to help and promote the Education.
Adaption of Artificial Intelligence
The role of Information and Communication Technology(ICT) and its Challenges

All the faculty members and Students of Institute were the attendees to grab this opportunity to get knowledge about this informative topic. It was a very nice initiative taken by Department of Higher Education under National Education Policy (NEP) 2020.

The webinar was completed by the concluding remarks of Prof. A.K.Singh, Director MSIT with thanks to Department of Higher Education under National Education Policy (NEP) 2020 for taking such an excellent initiative for conducting such webinars.
