

Faculty Profile

Name : Garima
Designation : Assistant Professor
Qualifications : M.Tech, B.Tech
Phone : 9873446811
Email : garima@msit.in
Area of Interest/Specialization: Digital System Design, CMOS Digital
Circuits and Biomedical signal processing.
Experience : 6 years

Key Publications

1. Mansi Jhamb, Garima and Himanshu Lohani. "Design, implementation and performance comparison of multiplier topologies in power-delay space." *Engineering Science and Technology, an International Journal* 19.1 (2016): 355-363.

Book Chapter/Books published

1. Sandeep Singh, Alaknanda Ashok , Manjeet Kumar, Garima, Tarun Kumar. (2019) Optimal Design of IIR Filter Using Dragonfly Algorithm. In: Malik H., Srivastava S., Sood Y., Ahmad A. (eds) *Applications of Artificial Intelligence Techniques in Engineering. Advances in Intelligent Systems and Computing*, vol 698. Springer, Singapore.
