Maharaja Surajmal Institute of Technology

Address : C-4, Janakpuri, New Delhi-110058 Website : www.msit.in
Affiliated to GGSIPU | NAAC Accredited 'A' Grade | ISO 9001:2015 Certified
NBA accredited (CSE, IT, ECE, EEE) | Approved by AICTE

About MSIT

Maharaja Surajmal Institute of Technology was established in 2001 under the aegis of Surajmal Memorial Education Society (SMES) to emulate & cherish the great qualities of Maharaja Surajmal. The Institute is approved by AICTE and affiliated to Guru Gobind Singh Indraprastha University. MSIT is located centrally in Janakpuri, New Delhi and has a campus spread of over more than eight acres of land with beautiful eco-friendly surroundings. Since its inception, the Institute has developed impressive hi-tech infrastructure, expertise and modernized resources for imparting high-quality engineering education. The Institute provides Bachelor of Technology (B.Tech.) course in CSE, IT, ECE and EEE streams and is NAAC Grade A accredited, ISO-9001:2015 certified Institute with all programmes being NBA accredited. MSIT has been ranked 3rd in North Zone and 18th across India among top private engineering colleges by India Today Magazine-2020, best private engineering college in Delhi, adorned with Outstanding Technical Institution Award by NITTTR, Chandigarh etc.

MSIT prominently appears in the IP University tally of Gold Medals in academics and sports, has excellent placement record in reputed companies like Google, Microsoft, Amazon, ZS Associates, ION Trading, Infosys, Accenture etc , and boasts of highly experienced, qualified and research-oriented faculty.

About AICTE

The All India Council for Technical Education (AICTE) is the statutory body and a national-level council for technical education, under Department of Higher Education, Ministry of Human Resource Development. Established in November 1945 first as an advisory body and later on in 1987 given statutory status by an Act of Parliament, AICTE is responsible for proper planning and coordinating for development of the technical education and management education system in India.

About ISTE

The Indian Society for Technical Education (ISTE) is the leading national professional non-profit making society for the technical education system in our country with the motto of career development of teachers and overall development of the technical education system. ISTE is actively involved in many activities conducted by All India Council for Technical Education New Delhi (AICTE) and National Board of Accreditation New Delhi (NBA). ISTE has collaboration and MoUs with government organisations and various Universities for the quality promotion of technical education in the country.

About AICTE-ISTE

Induction/Refresher Programme

The AICTE-ISTE Refresher Programme is essential for teachers in technical institutions to enhance their skill for becoming entrepreneurs. The other aims for the conduct of the Programme are

- Updating knowledge and improving organizational and pedagogical skills of teachers for entrepreneurship.
- To update the knowledge by providing an opportunity for interaction and mutual exchange of ideas between teachers interested in start-ups.
- Providing an opportunity for teachers to familiarize themselves with entrepreneurship practices, including the idea generation, SWOT analysis, funding opportunities, IPR related challenges and solutions, financial planning and incubation facilities.
- Opening up before teacher's new vistas in starting their own start-ups at the frontier of entrepreneurship.

About E-cell MSIT

The E-cell of MSIT gives innovative geniuses an open platform to gain knowledge about entrepreneurship, startups, ventures, and the A-B-Cs of building businesses. E-cell MSIT works to ignite the spark of risk-taking, responsibility, and the creative execution of ideas. Since our incubation in 2014 we've always been inclined towards providing the right guidance, mentoring, and support.

Objectives

- Create, Identify and Evaluate new venture opportunities. Design thinking.
- Interpret customer needs & quantify the value proposition.
- SWOT analysis
- Business Plan Development & Financial Management.
- Navigate funding opportunities.
- IPR related challenges and solutions.
- Pre-incubation and incubation facilities for Startups.
