**Department of Information Technology  
Industrial Visit at Centre for E-Governance**

An industrial visit to “Centre for E-Governance, Ministry of Electronics & Information Technology” CGO Complex, Delhi was organized by IT Department, Maharaja Surajmal Institute of Technology (MSIT), on Tuesday, April 12, 2022. We reached the Centre for E-Governance premises at 10:00 AM. Twenty-Six students from IT department along with two faculty members Mr. Akshay Singh and Ms. Priyanka Kalkandha, Assistant Professor (MSIT) visited the Centre for E-governance.

The students interacted and understood the technologies used by them. They were also enlightened by a very informative session on “**Digital India- Empowerment and Transformation**”. The vision of the session was to transform India into a digitally empowered society and the Knowledge Economy. Overall the Visit helps students in understanding Digital India concept and motivate students to work with latest technologies and also inspires them to utilize their valuable time and work hard to get jobs in such reputed departments.

Organized by
