Department of Information Technology

Webinar on How to kick-start preparation and ace Technical Interviews

The Department of Information Technology has organized a webinar **on "How to kick-start preparation and ace Technical Interviews"** on 25th April, 2022 at 4:00 PM, through the Google meet Platform. Students of IT 2nd and 3rd Year attended this webinar. The speaker of the webinar was **Ms. Priyal Bhatewara (Software Development Engineer)** who is currently in 8th semester in the IT department and bagged a package of 45.5 CTC from Amazon.

The aim of the webinar was to provide knowledge about the resume writing and to know about various crucial things required for a job interview. She also provided various useful links for Good Projects, Various off Campus Opportunities, Internship options and guide for preparation of the Mock interviews. Her focus was on Cracking Interviews that would not only facilitate academic progress of the students but help them build a happy, healthy and positive approach to life.

We received good response from the students and also they gave very good feedback. The speaker thanked the organizers for arranging the live webinar. At the end of the webinar Ms. Priya Dalal, Assistant Professor (MSIT) delivered the vote of thanks. She thanked the resource person, Management, Director Sir, HoDs, Faculty members, participants and other officials for their active support for making the webinar a huge success.
