Dear Anushka,

I am writing from Maharaja Surajmal Institute of Technology. We had nominated two faculty members for the Wipro Talent Next program. As per the information given, I think the orientation program is scheduled tomorrow. However, the concerned faculty have not received any details for the same.
Kind request to update on the same.

Regards,
Dr. Meena Rao

Dear Madam

Thank for the giving us the opportunity in introducing the Foundation program on UX Design: As discussion below it he Mail format for the student and attached is the detail Boucher for reference.

Please also find enclosed the format for the student nomination

Dear Student

We are glad to share that, along with Adobe India is introducing a new Skill development course:

Foundation program on UX Design

User experience (UX) is among the most in-demand job roles today. The expanding digital landscape, especially in today's environment calls for a compelling need for products and services fueling the demand for skilled UX designers for future jobs.

Adobe XD is embedded into the curriculum and this learner journey on UX will serve as a critical resource to help close the skill gap for one of the fastest-growing creative disciplines

The Course Free for all the student

- About the Course

User Experience Design is aimed at upskilling those who have a basic understanding of design or information technologies and helping them expand their knowledge and learn the fundamentals of User Experience Design at a foundation level. This Curriculum has been divided into 5 modules which correspond to the different aspects of user experience design and development.

- Importance of UX Design

its importance from a design perspective, UX is every bit as essential as the aesthetic components of a website. You could have the best-

looking online platform or app on the market, but if customers cannot quickly learn how to utilize it, they will leave it behind.

- Demand in the Market

- There is an increased demand for Design Professionals (UX, UI, Product Design), globally,
- Large organizations are prioritizing design as a competitive advantage by hiring thousands of designers to reshape processes and culture.
- It is a very happening career as one gets to dive into the minds of users and empathize with them to deliver something out-of-the-box.

- Benefit to the Students

- Earn a Joint course completion certificate from NASSCOM FutureSkills and Adobe
- Career-guidance sessions, Hands-on workshops, Gamification learning via Quiz, upcoming National.
- UX Challenge organized by NASSCOM & Adobe for learners by UX Industry Experts
- Hands-on Adobe XD tool embedded into the curriculum.

- New Job Opportunities avail in market.

- UX researchers , UX Analyst , UX Engineer , UI designer .
- Web Developer Product Designer
- Graphic Designer
- Marketing specialists
- Communication specialists .
- Adobe XD is a fast powerful UI/UX design and Collaboration tool.
- Course Duration 40 Hrs. : Delivery Methodology Online thru NASSCOM Portal,

Dear Madam

Thank for the giving us the opportunity in introducing the Foundation program on UX Design: As discussion below it he Mail format for the student and attached is the detail Boucher for reference.

Please also find enclosed the format for the student nomination

Dear Student

We are glad to share that, along with Adobe India is introducing a new Skill development course:

Foundation program on UX Design

User experience (UX) is among the most in-demand job roles today. The expanding digital landscape, especially in today's environment calls for a compelling need for products and services fueling the demand for skilled UX designers for future jobs.

Adobe XD is embedded into the curriculum and this learner journey on UX will serve as a critical resource to help close the skill gap for one of the fastest-growing creative disciplines

The Course Free for all the student

- *About the Course*

User Experience Design is aimed at upskilling those who have a basic understanding of design or information technologies and helping them expand their knowledge and learn the fundamentals of User Experience Design at a foundation level. This Curriculum has

been divided into 5 modules which correspond to the different aspects of user experience design and development.

- *Importance of UX Design*

its importance from a design perspective, UX is every bit as essential as the aesthetic components of a website. You could have the best-looking online platform or app on the market, but if customers cannot quickly learn how to utilize it, they will leave it behind.

- *Demand in the Market*

- *There is an increased demand for Design Professionals (UX, UI, Product Design), globally,*
- *Large organizations are prioritizing design as a competitive advantage by hiring thousands of designers to reshape processes and culture.*
- *It is a very happening career as one gets to dive into the minds of users and empathize with them to deliver something out-of-the-box.*

- *Benefit to the Students*

- *Earn a Joint course completion certificate from NASSCOM FutureSkills and Adobe*
- *Career-guidance sessions, Hands-on workshops, Gamification learning via Quiz, upcoming National.*
- *UX Challenge organized by NASSCOM & Adobe for learners by UX Industry Experts*
- *Hands-on Adobe XD tool embedded into the curriculum.*

Foundation Program on UX Design -PDF of the session

Dear all

Thanks for joining the session, as discussed please find attached the PDF on Why UX is important along with the process on "How to register for the course " and install Adobe XD.

We request please complete your registration for the course latest by 3rd Aug 21 and start learning the course. Request if you can finish the course by 15th Aug so that we can share you the certificate by end of this month. In case you are not able to complete the course by 15th then please complete the course by 30th Aug.

The Assessment is optional Student completing the Main course 5 module will get the certificate.

In case you have an issue in registration of the course Please write to Support@futureskillsprime.in

For any other queries write to me @ <https://forms.office.com/r/aZVGkb61Yv>

Dear sir,

Please find attached the list of students selected in Microsoft mentorship program Engage 2021. These students are from Second year, Batch 2023. They will undergo an internship in Microsoft. Top 100 interns from all over India will get an opportunity to appear for interviews for Microsoft jobs. Top 10 interns from all over India will get selected directly in Microsoft.

Dr. Meena Rao
Associate Professor, Deptt. of ECE,
Maharaja Surajmal Institute of Technology,

Engage 2021

Student Engagement & Mentorship Program

Hello,

Greetings from Microsoft University Recruitment Team, India! Hope you and your loved ones are doing well and keeping safe.

We hope that you're excited to kick-start your 'Virtual Mentorship' journey with **Microsoft Engage 2021**.

Program Features

Engage 2021 is a program that is specifically curated for tech students across colleges facilitating the below:

- Multiple **Networking** platform to bring some of the brightest minds from across the country together
- **Mentorship** opportunity wherein mentors from Microsoft will impart their knowledge and expertise over the course of 1:1 mentorship path laid out for the shortlisted students
- Sneak peek into the phenomenal journey and experience of our **Microsoft leaders**
- **Learning** opportunity while working on **real life problems** and come up with out of the box ideas/solutions
- Experience the **Microsoft Culture** through various touchpoints throughout the tenure of the program

This is a wonderful opportunity to maximize your learning potential and elevate your passion for technology!

How to Register?

To be eligible for the program, you will have to register on this **Engage 2021 Mentorship** between **21st May, 8:00 PM to 24th May, 8:00 PM.**

Important Note: Please use your personal email ID to register for the same.

Am I Eligible?

Students who meet the below criteria can register for the mentorship program:

- Year of Graduation: 2023
- CGPA: 7 and above.
- Course: B.Tech/B.E/Dual Degree
- Branch: Any Branch
- No pending backlogs
- Strong CS Fundamentals and Coding principals required

What's Next?

We will be sharing further updates on the below shortly!

- Program timelines
- Mentorship format and themes

We look forward to your participation in this program - Stay tuned!

Thanks & Regards,

India University Hiring

GO MANALI '16

The students going for the Manali Trip of 2014-2018 batch (Computer Science Dept.) are as follows:

BOYS

- 1 SANCHIT GOYAL
- 2 SANKALP KHETARPAL
- 3 AMAN BALYAN
- 4 ALOUKEK ADITYA
- 5 ABHINAV SHARMA
- 6 NAMAN SETHI
- 7 SHOBBHIT GUPTA
- 8 ANIRUDH CHABBRA
- 9 RAHUL GUPTA
- 10 SHWETANSHU RAHTOGI
- 11 RISHABH MITTAL
- 12 MRINAL SINGH
- 13 ASHU GOEL
- 14 SAHIL DHAWAN
- 15 ~~SHAHAN SINGH~~
- 16 PRADEEP SINGH
- 17 SHIVAM RASTOGI
- 18 ANAND AGRAWAL
- 19 AKASH NEGI
- 20 RAHUL GUPTA
- 21 TANUJ GUPTA
- 22 ARPIT TOMAR
- 23 SHEKHAR SHARMA
- 24 SHUBHAM BAKSHI
- 25 ANSHUL RAI
- 26 AKUL MEHRA
- 27 GOPAL SHARMA

GIRLS

- 1 PRACHI
- 2 SONALI
- 3 MANSI JAITLY
- 4 NIDHI NIRBIK
- 5 SHUBHI AHLUWALIA
- 6 SAKSHI KATARIA
- 7 MANVI CHAWLA
- 8 MUSKAN BAGRI
- 9 NEHA HOODA
- 10 SHIVANI
- 11 KIRTI SHARMA
- 12 SONAM CHATURVEDI
- 13 SHITA TOMAR
- 14 Prabhleen kaur
- 15 Prabhleen

Dear Sir/Madam

On behalf of Maharaja Surajmal Institute of Technology, I, Meena Siwach, Assistant Professor, writing this mail to seek permission for one day visit at your esteemed organization "Centre of e-Governance" in the time slots of 29 Mar, 5 April, 12 April 2019. I would like to share that I am organizing this visit for the students in order to provide them knowledge of various e-Governance initiatives and e-services of Government of India.

Maharaja Surajmal Institute of Technology

Industrial Visit

As per the provision in engineering education and like previous years, it is proposed to arrange an Industrial Visit to **Amul Plant, Manesar** scheduled for IV Sem ECE and EEE students on 13th March 2020, Friday. The students will be visiting the Amul plant and will get to see the production and manufacturing facilities in Amul plant. A bus (arranged by the company) from the company will take the students to the Amul facility. A total of approximately 50 students from ECE and EEE Departments along with 04 faculty members (Dr. Meena Rao, Dr. Richa Gupta, Dr. Yogendra Arya and Mr. Sachit Rathee) will go for the visit. The consent of the students interested in the visit has already been taken. The approximate time of the visit will be around 8.00 A.M. to 2.30 P.M. There are no financial requirements for the visit. *45% students are enrolled.*

It is requested that the permission of the Industrial visit may kindly be given.

Maharaja Surajmal
Institute of Technology
Janakpuri, Delhi

Subject: Educational plant visit to Plant.

Dear Sir/ Madam,

Gujarat Cooperative Milk Marketing Federation Ltd. (GCMMF), the largest food products organization responsible for marketing of dairy products under the brand 'Amul' and 'Sagar'. Amul is owned by 3.6 million milk producers of Gujarat.

We have been catering the needs of consumers of fresh products like Fresh Milk, Dahi, Buttermilk, Masala Buttermilk, Fresh Paneer etc. through our plant located at Manesar. Our plant is most modern, microprocessor controlled dairy plant with in-built capability to produce milk products matching to the best quality standards prevalent.

Looking to the need of developing knowledge and to create a good exposure of new technology in dairy industry amongst the children/ students, we have decided to invite you and be a part to see world class automated machineries operation at our plant.

We cordially invited you and children/ students to visit our manufacturing unit Manesar (location of plant). We are open on 6 days between 10 am Hrs to 5 pm Hrs.

We hope that the visit would surely be fruitful and meaningful to children/ students and they would be acquainted with different technology adopted in dairy industry.

Thanking you,

Yours Faithfully,

Ajeet

Note

Industrial Visit to BSNL

As per the provision in engineering education, it is proposed to arrange an industrial visit to BSNL (information attached), Rajnagar, Gaziabad for 4th sem students of B.Tech (ECE) and 6th sem students of B.Tech (EEE) on April 3, 2019. A total for approximately 55 students (from ECE and EEE) along with two faculty members will go for the visit from college via bus. The timing of the visit are 9:00 AM to 2:00 PM on 3rd April. The consent of students has already been taken (attached herewith). The estimated cost for the visit is given below.

S.no	Description	Approximate cost
1	Bus charges from Vikas Tours and travels	Rs 7500 /-
2	Registration fee Rs 118 per student (55 students)	55x118= Rs 6490
3	Refreshment Rs 40 per person (55 students + faculty members)	40x60= Rs 2400
4	Total	Rs 16390

It is kindly requested to approve an amount of Rs 16500 and allow for the visit. Please issue Demand Draft in favour of "Accounts officer (cash) BSNL ALTTC, Gaziabad" of Rs 6490. and advance cheque in favour of "Yogendra Arya" of Rs 2400/- (not taken) Payable at Gaziabad.

Dr. Neeru Rathee
Industrial Visit Incharge, ECE

Ms. Sonia Goyal
Industrial Visit Incharge EEE

Dr. Neeru and Dr. Yogendra from ECE & EEE will visit along with students

Dr. Puneet Azad
HOD, ECE

Dr. Meena Tushir
HOD, EEE

Dr. K. P. Chaudhary
Director MSIT

Since this is one of the best industrial visit and the rates are discounted. I will prefer three more faculty to accompany (Faculty will be exempted to pay)

Raj Nagar, Ghaziabad (U.P.) - 201002

Industrial Training (Summer/Winter)

For M.Tech/MCA/B.Tech./B.E./BCA/Diploma Students

HIGHLIGHTS OF COURSE CONTENTS :

For ECE / EEE / EIE :

Telecommunication Technologies & Networks

- Digital Switching System in Telecom NGN.
- Optical Network: PDH, SDH, DWDM, GPON, OTN
- Mobile communication system: GSM, CDMA 3G, RF Concepts 4G, 5G, IOT, SMART CITIES)
- IP Networks: TCP/IP, MPLS - VPN, Broadband TECHNOLOGY, IPV4, IPV6.
- Exposure to working of Digital Exchange / Systems / Network.
- Satellite Comm: Basic Concept, GPS System, VSAT, Dish TV, DSNG VAN, Satellite Mobile phones (INMARSAT)

FOR CS/IT :

- Computer Networking
- Cyber Security
- Web Technology with PHP
- Linux Administration
- Oracle
- Embedded System & Robotics
- VLSI with VHDL
- Autocad

FOR ELECTRICAL :

- Air Conditioning: Basics Design Criteria, Factors affecting air conditioning Loads and Latest Trends.
- Power System: Overview Sub Station. Types selection and designing etc.
- Engine Alternator: Overview, selection and Latest installation Practices etc.
- Fire Services & Lifts.
- Energy conservation &
- Renewable Energy.

FOR CIVIL ENGG. :

- Structural Design of Building & Building Services
- Overview of computer Aided Structural Design through STAAD Pro.
- Building Maintenance & Precaution in planning & construction.

PROJECTS FOR CS/ECE/IT

- Project on IP based Telecom Network
- Project on VLSI with VHD

- Project on Web Designing with PHP & My SQL
- Project on Lan with Servers
- Project on Embedded System
- Project on 4G/5G

COURSE FEE :

For 2 weeks (3 Days)
Rs. 3000/- +18% GST = 3540/- (Non Refundable)
For 4 weeks (6 Days)
Rs. 6000/- +18% GST = 7080/- (Non Refundable)
For 6 weeks (9 Days)
Rs. 9000/- +18% GST = 10620/- (Non-Refundable)
Course fee payment is through

Department of Electronics and Communication Engineering
Industrial Visit

As per the provision in engineering education, it is proposed to arrange an Industrial Visit to Dharamshala Tea Company for 5th Semester ECE students on October 7th, 2019 (online visit request application enclosed). The students have taken the responsibility to organise the visit. A total of 29 students and 3 faculty members will leave on the night of October 4th, 2019 from Delhi to McLeodganj, Himachal Pradesh and will visit the industry on October 7th, 2019. The students will be back in Delhi by October 9th in the morning.

All charges will be taken care of by the students. It is also added that only those students will visit, who can submit their parent's/guardian's consent.

It is therefore requested that the permission may kindly be granted for the industrial visit.

16th September 2019

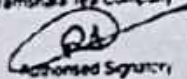

We are pleased that you have chosen to make an official visit to Dharamshala Tea Company on 7th October 2019. With this industrial trip students will gain insights into the method of production, machineries used and also get opportunity to interact with the production team. It will help them develop the understanding of theoretical knowledge into Real-time practices. It will also help them understand the business environment of various places visited in educational tour.

We are looking forward to seeing you, and if you have any question related to the matter, don't hesitate to contact us. Again thanks for your interest.

Sincerely,

Rohit

Department of Electronic & Communication Engineering

Report on Industrial visit to "Department of Electronics and Information Technology, (DEITY)"

(A Showcasing Platform for Best Practices in e-Governance)

An Industrial visit was carried out at Department of Electronics and IT, Govt. of India, First floor, Electronics Niketan, 6 CGO Complex, Lodi Road, New Delhi on 27th March, 2018 especially for semester fourth students of Electronics and Communication department of Maharaja Surajmal Institute of Technology.

The main objective behind the visit was to make students recognize the immense potential of e-Governance projects being implemented through National e-Governance Plan (NeGP), to bring in efficiency and effectiveness in citizen-centric services, socio-economic transformation, especially in the fields of education, health, skill-building, entrepreneurship and in creating employment opportunities.

The students reached the venue by 9:00 AM along with **Dr. Sudesh Pahal** (Associate Professor, MSIT) and **Dr. Neeru Rathee**(Associate Professor, MSIT). By 9:30 AM **Mr. Sunil Kumar**, Project Manager, CeG, welcomed the students and faculty member of MSIT followed by a briefing of the different kinds of government work being carried out at the department of Electronics and IT, Govt. of India. The session included an interactive and informative presentation about e-governance being explained by Mr. Sunil Kumar. The students were enthusiastic and completely involved in the session by raising different queries and answering different questions as well.

The Centre has been envisaged as the platform for showcasing advancement in ICT domain especially in e-Governance by demonstrating applications from states, central line ministries, DeitY organizations and other implementing agencies. The Centre has aesthetically designed hi-tech display systems and visitor-friendly functionality with kiosks for demonstration of e-services, state-of-the-art display formats, Internet-enabled conference areas, dedicated video conferencing facilities as well as a state-of-the-art projection system featured conference hall. The CeG showcases applications, demonstrations and presentations that reflect the progress achieved in the implementation and usage of e-Governance. It covers successful and high impact e-Gov applications and content based on improved citizen service delivery, innovativeness, cost effectiveness and overall impact in fulfilling developmental objectives of the government. Also displayed are various social sector initiatives relating to health and education.

There was 15 minutes refreshment gap which was followed by a presentation of different schemes started by government towards digital India like public grievance redressal, e-healthcare, e-basta, etc. These different schemes and initiatives are for the empowering the country in e-governance platform on global level.

Some of the initiatives which are being demonstrated are as follows:-

- e-Aadhaar
- e-kranti
- open source software
- e-vidhaan
- e-post
- Rahi
- Urban governance
- e-KYC
- Jeevan Parman
- Mobile Seva
- MyGov
- Open Data
- etaal
- e-Office
- e-Sanjeevani
- ISEA
- MeeSeva
- e-District
- Passport Seva
- Sanyog
- e-Gov. App. Store
- Meghdoot
- Enovision
- Indian IP Panorama
- Param Yuva II
- BOSS

The Centre for e-Governance therefore provides a unique platform for wider dissemination of awareness regarding successful e-Governance initiatives in the country as well as the roadmap for implementation of e-Governance.

The presentation was followed by a quiz of 5 minutes and the 1st, 2nd and 3rd position holders were declared thereafter who were presented by their respective prizes along with the faculty member.

The best part of the visit was our students and faculty members got chance to have interaction with Dr. A.K. Garg, Director, CeG, MeitY. Dr. A.K. Garg encouraged students to work in potential areas of research in various fields and to contribute for improving the life of people in our country.

The visit was filled with interesting talks, presentations and a few fun filled activities. Visits like these prove to be the perfect platform to address various issues, share grievances and come up with plausible and feasible solutions. These solutions can be put to use for the betterment and upliftment of the society and the country as a whole.

The CeG is a part of the "Awareness and Communication" activity under National e-Governance Plan (NeGP) and seeks to bring the achievements under NeGP under one umbrella for the information of the citizens.

Dear Madam,

As discussed, the workshop on "Digital India Programme" may be scheduled either on 26th, 27th or 28th March, 2018. You are requested to kindly confirm suitable date as per your convenience so that necessary arrangements can be done on time.

Thanks and Regards
Sunil Kumar

Dear Sir

Greetings of the day!

Maharaja Surajmal Institute of the Technology (MSIT) is one of the esteemed and prestigious colleges affiliated under GGSIP University. The institute is running various engineering courses under several disciplines including Electronics and Communication Engineering, Computer Science, Information Technology and Electrical and Electronics Engineering.

As per the curriculum of the university, the students of Electronics and Communication Engineering have to undergo industrial visits. Last year, the students of 2nd year were privileged to visit at MeitY, New Delhi and had a great learning experience. We shall be thankful to you, if this year also you allow our students of ECE 2nd/3rd year to visit there.

We shall be very much obliged to have your valued comments to our request.

Best Regards,

Dr. Sudesh Pahal

Dear Neeru
V. Good Afternoon

With reference to your request regarding industrial visit to INMAS, I hereby confirm that competent authority has agreed for your visit on 18th March 2019 (10 AM to 01 PM).
You are requested to send the details of vehicle along with faculty and student.

Dr Sushil Chandra
Scientist-'G' & Head
Bio-Medical Engineering Department,
INMAS- Delhi-110054
Defense Research & Development Organization, INDIA

INDUSTRIAL VISIT REPORT

Session : 2018- 2022

Department of Electronics and Communication Engineering

Maharaja Surajmal Institute of Technology, C-4 Janakpuri, New Delhi

Industry Visited : INMAS, DRDO (Institute of Nuclear Medicines and Allied Sciences), Timarpur, Delhi, 110054,
Dr. Sushil Chandra, Scientist 'G' at INMAS and
Mr. Vishal Pandey

Date : 25th October 2019

Transportation : Personal Means.

Students : Total 35 students of SEM III (5 GIRLS + 30 BOYS)
(B.Tech ECE (M), I & II, MSIT)

Coordinator : Dr. Neeru Rathee , Associate Professor

Co-coordinator : Dr. Preeti Sehrawat , Associate Professor

Overview

A group of students from Electronics and Communication department of MSIT, visited the INMAS DRDO, to discuss several topics such as internship and project on Virtual Reality (VR), Augmented Reality (AR), Mixed Reality (MR) along with signal processing and cognition. During the visit, scientist 'G' Dr. Sushil Chandra along with Mr. Vishal Pandey briefed about the R&D work of INMAS, DRDO and shown various laboratories. He also introduced various scientists who worked in different department such as Cognition and signal processing in the human brain, and the key aspects related to electronics and communication in the MRI.

Session Introduction

The group assembled for the introduction of Dr. Sushil Chandra, and him being sharing some basic ideas and knowledge regarding the precious topics of career life of an engineering student. He explained about the topics behind the visit i.e. regarding AR, VR, signal processing and many more. He also asked some brilliant questions from these topics which were answered by the students.

Session 1

Mr. Vishal Pandey along with three interns, accompanied the students to explain and show the cognition and signal processing techniques of different parts of brain. They gave a brief explanation about AR, VR and MR technologies and their uses in actual lifestyle using a battlefield interface. He showed the process of acquiring different brain signals (alpha, beta, gamma) using a 64 – electrode EEG cap and showing them on screen. The students learned and cleared their doubts. The group moved towards another session.

Session 2

This session was concerned about the topic of MRI (Magnetic Resonance and Imaging) process and techniques. The students were accompanied by an experienced and decorated doctor in the field of MRI. In this session, the procedure of MRI and its advantages were discussed along with some of its disadvantages and precautions. The students cleared their doubts and moved towards the canteen area for tea break.

All the students along with the coordinator and co-coordinator were gathered in the hall for tea and refreshment. Dr. Sushil Chandra and Mr. Vishal Pandey also gathered for final meeting and asked the students about their experiences in both the sessions. He also gave some very precious advice to all the students for achieving the goal in life. A group photo was taken and all the students dispersed with a wonderful experience.

Sub: Request for Industrial visit of Students to INMAS, DRDO

Sir

I am writing this letter on behalf of the ECE Department as an Associate Professor at Maharaja Surajmal Institute of Technology, New Delhi, seeking your permission to conduct an industrial visit to your esteemed institution. The group would be of forty five visitors, including two faculty members. Being students of engineering, this visit would help in better understanding of various concepts. The purpose of this visit is to enhance the students' knowledge and provide them with a proper understanding of the functioning of the industry. We intend to take a round of the entire lab and show the tasks handled in different departments of our students.

Kindly grant us permission and allot a slot in 4th week of October (21st Oct.-25th Oct.) for the industrial visit and make necessary arrangements for the same. We look forward to a positive reply from your side.

Warm regards

Department of Electronics and Communication Engineering Industrial Visit

As per the provision in engineering education, it is proposed to arrange an industrial visit to A. D. Hydro Power Ltd. (Prini, Manali, Distt. Kullu, Himachal Pardesh) for fifth Semester ECE students on October 22, 2018 (consent via mail from A. D. Hydro Ltd enclosed). The Students have taken the responsibility to organize the visit. A total of 51 students and 4 faculty members will leave on the evening of October 18, 2018(Thursday) from Delhi to Manali Himachal Pardesh and will visit in the Plant Prini on October 22, 2018. They will back to Delhi on October 23, 2018. The number of students may likely to increase based on parents consent.

All charges will be taken care by the students. It is also added that only those students will visit, who can submit their parent's/ guardian's consent.

It is therefore requested that the permission may kindly be granted for the Industrial Visit.

Industrial Visit

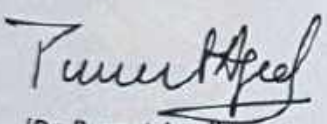

As per the provision in engineering education, it is proposed to arrange an industrial visit to ARIES Manora Peak, Nainital, Uttarakhand for fifth Semester (ECE/CSE/EEE) students on October 22, 2018 (letter from ARIES enclosed). The Students have taken the responsibility to organize the visit. A total of 50 students and 4 faculty members will leave on the night of October 18, 2018(Evening) from Delhi to Sattal (Nainital) Uttarakhand and will visit in the ARIES, Nainital, Uttarakhand on October 22, 2018. They will back to Delhi by October 23, 2018. The number of students may likely to increase based on parents consent.

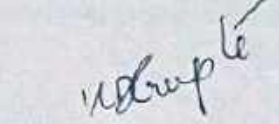

All charges will be taken care by the students. It is also added that only those students will visit, who can submit their parent's/ guardian's consent.

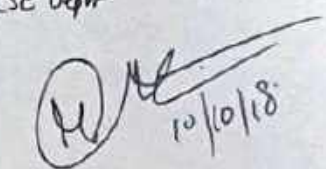

It is therefore requested that the permission may kindly be granted for the Industrial Visit.

Subject: Huawei Telecommunication Gurgaon _Industrial visit and Proposal for HANA (Huawei Authorized Network Academy)

To: <nishtha.jatana@gmail.com>

Cc: <naveendahiya16@yahoo.com>, <atul@indovisionservices.in>

Dear Nishtha Mam,

I hope you are doing well !

As per our face to face discussion, i am inviting your students/college for the Industrial Visit in Huawei Telecommunications. This will be a great opportunity and world class experience for the student.

At Huawei, Students will get to know about the basics of ICT domain (Network Communications, Wireless, Telecom, Lan/Wan, Routers, switches, security, firewall, Cloud computing etc) as well as also about the industry. They will get a chance to visit the Asia's biggest lab cum data center.

As per discussion I am sending you the proposal for Industrial Visit and HANA (Huawei Authorized Network Academy).

So its a humble request from our side to provide the response regarding the Industrial Visit asap from your end.

You can go through company profile and Kindly revert me asap.

About Huawei Telecommunication

Huawei Technologies is leading ICT Company with annual turnover of USD 65 Billion. Huawei is manufacturer of all telecom equipment in domain of 2G, 3G, LTE, Datacomm equipment, Mobile, dongles, Transmission equipment etc. Huawei customers include leading operators like Bharti, Vodafone, Reliance, Tata, Uninor, Idea, BSNL, MTNL etc.

Huawei is also very active in enterprise domain. Huawei has more than 125,000 employees globally and has presence in more than 150 countries. Huawei has over 70,000 product and solution R&D employees, comprising more than 45% of our total workforce worldwide. Huawei has multiple offices in India including Sales & Support, R&D, GNOC etc. R&D center & GNOC support customers all over the globe. We have set

up 16 R&D centres in countries that include Germany, Sweden, the US, France, Italy, Russia, India, and China.

About Indovision

Indoision Services Private Limited' an ISO 9001:2008 company and promoting Huawei Training courses on PAN India basis." Over the past 3 years, Indoision Services has successfully trained more than 1000 students through its career-oriented courses. We are happy to announce that we have 65 to 75% placement record in last year. Our students placed in different MNC's like Huawei, Ericsson, Nokia, Reliance Jio and many other vendors also.

Benefits for students

- Ø Employers expect productivity from staff from day-1 (preferred)
- Ø Core domain expertise lack among freshers from colleges
- Ø High competition in Job market
- Ø Global stands / Recognition missing during International benchmark
- Ø Good Interaction with concern trainer to bridge the gap between college's and corporates.
- Ø *VISIT in Huawei Campus*

And for industrial visit you have to provide us some details which is mentioned below, because i need to take approval from (HUAWEI ADMIN DEPT.)

Date of visit

Branch

No of students

No. of faculty

Time

For any type of query please feel free to contact:

Industrial visit to HUAWEI TELECOMMUNICATION

Date: 3/4/2017

Venue: Unitech Cyber Park, sector-39, Gurgaon, Haryana

Time: 10 a.m

An Industrial visit to Huawei Telecommunication was organized for CSE/IT students of 3rd Year on 3/4/2017. The students visited the Gurgaon branch situated in Unitech Cyber Park, sector 39, Gurgaon, Haryana.

A total of 89 students were present and they were accompanied by two teachers from college, Mr. Adeel Hashmi and Ms. Gunjan Beniwal who ensured the attendance of the students and made sure that everything was managed.

The visit was to make students familiar with corporate environment and show the working of such sector that involves the use of both IT and communication branch. The visit consisted of a seminar conducted by Mr. Atul Rajput, General Manager; IndoVision. It was followed by visit to labs where the practical session was conducted. The objective was to make students able to:

- Describe the communication network and communication network development.
- Describe the full-service communication network and services on the network(3GPP,IMS,Cloud)
- Describe the MAN architecture of optical network, data network and transport network.

Subject: Industrial Visit for Electrical & Electronics Engineering Students

Sir,

Maharaja Surajmal Institute of Technology was established in the year 2001 with G.G.S.I.P. University affiliation. The institute aims at achieving the highest standards of academic excellence in the field of engineering and technology, all round development of students as professionals through innovative mode of teaching and research and educates them to meet the requirement of technologically advanced world. The institute is ideally located in the Institutional area of Janak Puri. The Institute was affiliated to G.G.S.I.P. University in 2001 to impart degree level education in Engineering. The Institute offers degree courses in four disciplines, each of four years duration i.e. Electronics & Communication Engineering (ECE), Computer Science Engineering (CSE), Information Technology (IT) and Electrical & Electronics Engineering (EEE).

With a view to enhance the practical knowledge of our students, we wish to make an industrial visit to RSS Subhash Nagar Metro station on 8th Feb, 2018.

Total strength of students would be 25-30. Students will be accompanied by one of their faculty member. Further it is also requested that your staff may also be made available to explain in detail about the processes.

We request you to grant us permission for the same.

Looking forward to a positive response from your side.

With warm regards

(Dr. K.P. Chaudhary) 01/02/2018
