Faculty Profile

Name   : Himani

Designation   : Assistant Professor

Qualifications   : M. Tech

Phone   : 011-25528117(138), 25552667(138)

Email   : himani@msit.in

Area of Interest/Specialization: Speech Processing

Experience   : 12 years

Key Publications

1. Himani,Vatsala Sharma, Kamal nayanam , "A survey on Smart Railway Track Fault Detection Using IOT" , IOSRJEN,11(8),2021

2. Himani,Vatsala Sharma, Kamal nayanam , "Arduino based smart water management", IJERT,9(8),2020, 2278-0181

3. Himani, Vatsala Sharma, Kamal nayanam, "Design and simulation of a single feed dual polarized and multiple frequency rectangular   patch antenna", IJRAR, 7(4),2020 2348-1269

Papers presented in Conferences

1. Design and development of complimentary slip ring resonator for ISM band operation

2. Localization of Land rover in an unexplored environment using scale invariant feature transform

3. Indian Language Identification Systems: A Review on databases and AI based Industrial Applications (IEEE conference)
