GEEK TALK: SMASHING YOUR WAY INTO DSA
April 5, 2023

Google Developer Student Clubs MSIT in association with the IT Department has organized an event, **"Geek Talk: Smashing Your Way into DSA**," on 5th April,2023 to assist students in getting on the right path for cracking DSA. Mr. Sandeep Jain, CEO of Geeks For Geeks, was the speaker for the session.

The event began with the lighting of the lamp by the dignitaries. Followed by the musical performance and then the distribution of the certificates and goodies to the students who completed the GCCP campaign. Then a play was performed by the GDSC team, telling of the importance of skill development in engineering. Following that, Mr. Sandeep Jain was welcomed to the stage, where he shared his expertise and guided students on how to get started in their professions and explore the current technologies that are thriving.

After that, he took questions from the students and addressed them with his experience and insights into the industry. At the end, Mr. Sandeep Jain was given a token of appreciation for joining the event and sharing his experience and knowledge with the students. The event ended on a

bright note, with the students acquiring valuable knowledge that will assist them enhance their skills and proceed with their careers.
