

Industrial Visit to Maruti Suzuki Motorcycle Pvt Ltd, Manesar, Gurugram

Dated : 5th December, 2023

An Industrial visit to Maruti Suzuki Motorcycle Pvt Ltd, Manesar, Gurugram was organized on 5th Dec 2023 for 29 students of CSE 6th Sem from Maharaja Surajmal Institute of Technology. Dr. Amita Yadav, Dr. Sonia Rathee and Ms. Vaani Garg were the faculty Coordinators from the CSE department for this industrial Visit. The purpose of the visit was to understand the intricate process of bike manufacturing, learn about safety protocols, delve into the history of Suzuki, and witness the evolution of their iconic bike models.

Overview of the Visit

Upon arrival, the students were warmly welcomed by the Suzuki team, who commenced the visit by providing a comprehensive overview of Suzuki's journey from its inception to its current standing in the industry. The presentation highlighted the milestones, innovations, and the evolution of Suzuki's bikes, including legendary models like the Hayabusa and other noteworthy variants.

- **Factory Tour**

The highlight of the visit was the guided tour through Suzuki's state-of-the-art manufacturing facility. Students had the opportunity to witness firsthand the meticulous processes involved in bike production. From the assembly line to quality control measures, every step was elucidated, showcasing the precision and expertise involved in creating each bike. During the visit, the students were treated to refreshments, allowing for informal interactions and networking opportunities with the Suzuki team. Additionally, as a token of appreciation, the students received small gifts from Suzuki, serving as a memorable memento of their visit.

- **Emphasis on Safety**

Safety protocols and best practices were emphasized throughout the tour. The Suzuki team conducted a detailed session on safety do's and don'ts, enlightening the students on the crucial aspects of ensuring a safe work environment and the importance of adhering to safety standards in the automotive industry.

Overall, this industrial visit to Maruti Suzuki, Gurugram, was an enriching and invaluable experience for the students of Maharaja Surajmal Institute of Technology. Witnessing the entire process of bike manufacturing, understanding the company's history, focusing on safety measures, and receiving insights into team dynamics within the company provided a comprehensive understanding of how a prominent company like Suzuki operates. This visit not only broadened the students' knowledge about the automotive industry but also highlighted the significance of teamwork, innovation, and adherence to safety standards in a corporate setting. Overall, the visit was deemed highly beneficial and worthy, offering a holistic view of how a renowned company like Suzuki operates.
