E-Yantra

Maharaja Surajmal Institute of Technology (MSIT) inaugurated its “Embedded Systems & Robotic Lab” on 9th January 2023.

This lab has been set up with support of e-Yantra Lab Setup Initiative (eLSI), one of the initiatives of e-Yantra Project of IIT-Bombay. The ceremony started with the ribbon cutting by Chairman, Surajmal Memorial Education Society, Sh. Kaptan Singh.

The virtual inauguration by e-Yantra, IIT Bombay started with an opening address by Professor (Dr.) Kavi Arya, the Principal Investigator, e-Yantra Project, IIT Bombay. Prof. Kavi Arya emphasized on the importance of robotic research for the welfare of society. He nicely explained the latest aspects for robotics and artificial intelligence based research.

Dr. Ranjit Singh, Director, MSIT introduced the institution by his wise comments on the role of robotics research to develop solutions for a number of real-world problems.

The director emphasised on the importance of robot-enhanced-education for a technical institute.

E Yantra lab under the four faculty coordinators- Dr. Priyanka Nandal, Dr. Sapna Malik, Dr. Sonia Rathee and Dr. Shalu assures for providing a platform to the interested researchers to design and develop robotics based innovations in future.

We are confident that this collaboration with e-Yantra will be of immense benefit to the institute and the students.
