Faculty Coordinator	Dr. Deepshikha, Dr Preeti Rathi, Dr. Sonika Malik, Dr. Priya Dalal and Mr. Surender Singh
Attended Participants	110

The IT department recently organized a highly beneficial mock interview session aimed at enhancing the professional skills and readiness of the 6th semester students for their future. Under the guidance of Dr. Priya Dalal and Mr. Surender Singh, the mock interviews were meticulously conducted with the active participation of various esteemed individuals from both academia and industry. The interview involved 18 interviewers, comprising 15 final year placed and 3 Alumni, who conducted the mock interviews and complete strength of 3rd year IT students.

Participants

1. **Interviewers:** 3 Alumni and 15 final year placed students
2. **Interviewee:** IT 6th Semester (92 students; 13 online + 79 offline)

Interview Process

The mock interview session was structured to simulate real-world interview scenarios, providing students with invaluable insights and experiences. Each candidate underwent a rigorous interview process, encompassing various aspects of technical knowledge, problem-solving abilities, communication skills, and overall demeanor.

Feedback and Evaluation

Following each mock interview, comprehensive feedback and constructive criticism were provided to the candidates by the interview panel. This feedback was tailored to address individual strengths and areas for improvement, ensuring a personalized learning experience for each participant.

Key Takeaways

The mock interview session served as a platform for students to gain practical exposure to interview dynamics, refine their presentation skills, and receive professional guidance from industry experts and alumni. Additionally, the session facilitated networking opportunities and fostered a spirit of collaboration among students and professionals alike.

Conclusion

In conclusion, the mock interview organized by the IT Department, under the guidance of Prof. Prabhjot Kaur (HOD) proved to be a resounding success. It provided students with a unique opportunity to hone their interview skills, receive valuable feedback, and prepare themselves for the challenges of the professional world. Such initiatives underscore the department's commitment to nurturing holistic development and ensuring the future success of its students.
