Contents

Surajmal Memorial Education Society (SMES)

MSIT is run by Surajmal Memorial Education Society which was founded to celebrate the memory of Maharaja Surajmal, a great patriot, warrior and ruler of Bharatpur during the 18th century. The society was registered on13 Nov.1972 under society registration act 1860. The main aim of the society is to disseminate quality education in all fields, and especially in technical & professional areas for the benefit of the people, particularly those belonging to the rural areas of India. The society comprises of eminent academicians, professionals, technocrats, administrators and &leaders from various different areas. More than 9000 members, who are part of the society, come from all over the country, but the majority of them are from Delhi, UP, Haryana & Rajasthan.

Maharaja Surajmal Institute of Technology

To emulate & cherish the inimitable attributes and values of Maharaja Surajmal, the 'Surajmal Memorial Education Society' was founded in 1972 at Janakpuri, New Delhi, with an aim to impart quality education in urban as well as rural areas to all those who aspire to be future leaders in their chosen fields. Academic programs were started in 1982 with introduction of Certificate and Diploma Courses in various technical streams. Maharaja Surajmal Institute of Technology was established in 2001with the approval of AICTE and affiliation to "Guru Gobind Singh Indraprastha University" for conducting various four years B.Tech. programs with the first academic session beginning in August 2001.

Maharaja Surajmal Institute of Technology

C-4, Janakpuri, New Delhi -110058

(Approved by AICTE, Recognized with 2 (f) &
12(b) of UGC Act and Affiliated to GGSIPU)

Significant Achievements

1. **Established in the year 2001**

2. **NBA Accreditation: B.Tech. (CSE,IT,ECE & EEE)**

3. **NAAC 'A' Grade Institution**

4. **Grade 'A+ Engineering College by State Fee Regulatory Committee of Delhi**

5. **'A' Grade by Joint Assessment Committee, GGSIPU & Govt. of NCT of Delhi**

6. **ISO 9001-2015 Certified Institution**

7. Ranked 3rd Position in Delhi State in Top 175 Engineering Institutes of India and Ranked 1st in Delhi in Top 125 Private Engineering Colleges by "Times All India Times Engineering Institutes Ranking   Survey 2024".

8. Ranked 39th position in Top 70 Engineering Institutes and ranked 1st in Delhi State in Placement Category by "Times All India Engineering Institutes Ranking Survey 2024".

9. Conferred with "Engineering Education Excellence Award 2021" by the Institute of Engineers (India), 26-28 Dec. 2021

10. "Outstanding Technical Institution Award" by NITTTR Chandigarh on Sept 07, 2015

11. Diamond Eye Award for quality commitment and excellence in education from OMAC, Parisin 2015

12. NIRF India Rankings 2017 and 2018: Engineering (Rank-Band: 151-200), NIRF India Rankings 2020: Engineering (Rank Band: 251-300) and NIRF India Rankings 2021: Engineering (Rank Band: 251-300).

13. Highly Qualified & Experienced Faculty with Good SFR and highest Retention.

14. **Industry Institute Collaboration (MOU)**
    A financial grant of 18.5 lacs for setting up Center of Excellence Lab in AI, ML and IOT has been approved by ONGC. The lab will be used by the faculty and students for Research / Projects in the Institute.

15. **International Collaboration MOU with Wentworth Institute of Technology, Boston, USA.**
    a. MSIT has successfully organised 2nd International Conference on AI & Applications in association with Wentworth Institute of technology, Boston, USA on 19th and 20th March, 2024. The conference was successful and attended by Researchers, Professor from Boston, USA and UK.

Key Amenities: Well-equipped Air-conditioned, Laboratories, Smart Classrooms, lush green Campus, Library with rich collection of books and journals, High speed Internet and Wi-Fi connectivity, Internships in reputed organizations such as MIT, INSA, IIT, NPL, DRDO, NIC etc., In-house summer training, Hostel and mess facility for girls and boys, Banking facility.

Message from the Chaiman
Surajmal Memorial Education Society &
Maharaja Surajmal Institute of Technology

It is a matter of great pride to be part of an institution that aims to mould the character of each student into an — "Icon of tomorrow." "All power is within you; you can do anything and everything" said Swami Vivekanand. This quote has been vigorously followed for years at Maharaja Surajmal Institute of Technology.

"Academic excellence along with co-curricular and extra-curricular activities complete the process of education. With this idea students are motivated to perform innovative research activities to facilitate them towards overall development through endeavour, enthusiasm and will power. Our faculty members follow the unique approach to inculcate professional, moral, and intellectual values in the budding engineers. It is my firm belief that MSIT will progress and provide an effective path for the students towards excellence and eminence in education.

I congratulate the incoming student on their success in securing a seat at MSIT and welcome them towards the imminent and momentous undergraduate journey with us.

I welcome the new entrants to join us in our eventful journey of learning. I exhort them to strengthen the tradition of knowledge sharing, innovation, and inclusiveness in this temple of education.

Sri Kaptan Singh
Chairman, SMES

Message from the Director
Maharaja Surajmal Institute of Technology

Dear Students,

I extend a warm welcome to you as you embark on your academic journey with us at Maharaja Surajmal Institute of Technology (MSIT). As the Director of this esteemed Engineering College, I am filled with enthusiasm and anticipation for the remarkable experiences that lie ahead. Our institution prides itself on a rich tradition of academic excellence, innovation, and holistic development. Here, you will not only acquire cutting-edge technical knowledge but also foster critical thinking skills and cultivate values that will guide you throughout your professional and personal life.

At MSIT, we believe in nurturing a vibrant learning community where ideas are encouraged to flourish, and individual aspirations are supported. Our faculty comprises experienced educators and industry experts who are committed to providing you with the guidance, mentorship, and resources necessary for your success. Moreover, our well-equipped laboratories, and extensive research opportunities ensure that you receive a comprehensive education that prepares you to tackle the challenges of the current and the future world.

As you prepare to embark on this transformative journey, I am confident that with your dedication, adaptability, and passion, you will make invaluable contributions to our community and emerge as leaders in your chosen field. Once again, I extend my best wishes to you and look forward to welcoming you to our campus.

Warm regards,

Prof. (Dr.) Archana Balyan
Director

Dear Future Engineers,

Welcome to MSIT. As the Director, Training & Placement, it is my pleasure to extend a heartfelt greeting to the incoming batch of talented individuals. At MSIT, we take immense pride in our commitment to not only provide top-notch education but also to ensure your successful transition into the professional realm. Our track record speaks volumes; year after year, our graduates are sought after by leading companies across various industries.

Our placement cell works hard to facilitate lucrative opportunities for our students, organizing career fairs, workshops, and networking events to connect you with esteemed employers. With a robust network of alumni and industry partnerships, we strive to expose you to diverse career pathways and equip you with the skills and confidence needed to excel in today's competitive job market. Rest assured, as you embark on your academic journey with us, you will have unwavering support and guidance every step of the way, paving the path towards a fulfilling and successful career.

I encourage you to seize every opportunity, challenge yourself, and dream big. Your time in the college will not only shape your academic and professional future but also foster personal growth and lifelong connections. Together, let us embark on this journey towards excellence. We eagerly await the opportunity to witness your achievements and celebrate your milestones.

Best regards,

.

Prof. H.S. Rawat
Director of Training & Placement, MSIT

Courses Offered

The institute offers four-year B. Tech. Programs in Computer Science Engineering (CSE), Electronics and Communication Engineering (ECE), Information Technology (IT), Electrical and Electronics Engineering (EEE).All the courses have the approval of all India Council of Technical Education and affiliated to Guru Gobind Singh Indraprastha University, New Delhi.

**Courses Offered	First Shift	Second Shift	Total Intake
B.Tech. (Computer Science & Engineering)	240	60	300
B.Tech. (Electronics & Communication Engineering)	120	60	180
B.Tech. (Information Technology)	180	60	240
B.Tech. (Electrical and Electronics Engineering)	60	---	60

**Detailed syllabus of the above mentioned courses is available at institute website http://msit.in/syllabus as well as at http://ipu.ac.in/univ syllabus/btech syllabus 010813/syllbtechusetmain.htm

Admission Process and Eligibility

Eligibility Criteria:

For B.Tech.

Passed 12th Class of 10+2 pattern of CBSE or equivalent with a minimum aggregate of 55% marks in Physics, Chemistry and Mathematics provided the candidate has passed in each subject separately. Candidate must additionally have passed English as a subject of study(core/elective/functional) in the qualifying examination. There is a provision for 5 % relaxation on marks for SC /ST Students.

Lateral Entry to B.Tech.

Three-years diploma (completed) in any of the following branches of Engg./Technology with a minimum of 60% marks in aggregate* from any recognized Diploma awarding institute/university/board recognized by AICTE:- Computer Engg; Automobile Engg; Chemical Engg, Civil Engg, Construction Engg, Electrical Engg, Electronics & Communication Engg, Electronics, Instrumentation & Control, Mechanical Engg., Maintenance Engg., Plastic Engg., Printing & Publishing, Production Engg., Public Health & Environmental Engg., Tool & Die Making.

Admission Criteria*:

B.Tech.

All applicants are required to appear in Joint Entrance Exam (JEE) Main Paper 1 Conducted by National Testing Agency (NTA). The University shall not conduct its own CET for admissions, but shall be utilizing the merit of JEE Main Paper 1 for its admissions. The admissions would be based on the merit / rank in the JEE. Registration to GGSIPU Website for admission is compulsory.

Lateral Entry B.Tech

Applicants must appear in the CET conducted GGSIPU. The admissions would be based on the merit / rank in the CET.
* As per university norms.
Registration to GGSIPU Website for admission is compulsory.

Fee Structure for B.Tech. (Academic Session 2024-25)

Item	Amount in rupees per year
Tuition Fee	1,39,500
University Charges	20,000
Alumni Contribution Fund	2000 (Only once at the time of admission)
Group Insurance	100
Security Money (Refundable)	10000 (Only once at the time of admission)refundable
Total Fee	1,71,600

Fee structure for Hostel**

Item	Amount in rupees
Admission Fee	2500
Annual Fee	6000
Caution Money	10000 (refundable)
Per month room charges (Double occupancy)	4500

*The institute follows Guru Gobind Singh Indraprastha University policy for refund of fee.
**Tentative Fee Structure
***for Single occupancy the room charges are Rs. 6000/- p.m.

Internal Assessment:

Performance of each student is evaluated through internal assessment via mid-term examination, class-test, attendance and assignments based on each unit in the syllabus prescribed.

Vision and Mission

Institute level Vision and Mission

Vision: To become one of the most admired centers of academic excellence in the field of Engineering & Technology for all-round professional development of students to enable them to meet the growing technological needs of the country.

Mission: Developing new paradigm in imparting education in the fields of Engineering and Technology and to imbibe national values leading to student's empowerment, with a view to prepare them to meet the national and global challenges.

Department level Vision and Mission

Department of Computer Science and Engineering

Vision: To maintain academic excellence aiming to produce competent technocrats imbibed with ethical values to serve the national emerging technological needs.

Mission:

M1: To impart quality engineering education to the students by providing effective teaching learning, research and application based innovative environment.

M2: To inculcate creativity team-spirit, leadership and ethical competence through continuous collective curricular, co-curricular and extracurricular activities.

Department of Information Technology

Vision: To build a culture of innovation and research in students and make them capable to solve upcoming challenges of human life using computing.

Mission:

M1 : To develop 'educational pathways' so that students can take their career towards success.

M2 : To imbibe curiosity and support innovativeness by providing guidance to use the technology effectively.

M3 : To inculcate management skills, integrity and honesty through curricular, co-curricular and extra-curricular activities.

Department of Electronics and Communication Engineering

Vision: ECE department strives to become a centre of quality education to meet the global technological needs for the benefit of mankind.

Mission:

M1: To impart high quality education in the field of electronics & communication engineering to meet the national and global challenges.

M2: To provide adequate facilities, infrastructure and environment to the students as well as faculty members thereby creating an ambience conducive for teaching-learning process.

M3: To empower the students by enhancing their soft skills and ethics to create social awareness and imbibe national values so as to become good citizen.

M4: Creating a thrust for life-long learning through interaction with outside world on contemporary issues and technological trends.

Department of Electrical and Electronics Engineering

Vision: To achieve global standards in the field of Electrical and Electronics Engineering to minimize skill gap between academia and industry.

Mission:

M1: Imparting quality technical education to the students of Electrical and Electronics Engineering with the supportive environment, preparing them for competitive exams for higher education, employment, and entrepreneur practices.

M2: To confer the students with professional attitude, research aptitude, technical and communication skills with sensitivity towards the environment and society.

Infrastructure

MSIT is located in an eight story well planned and spacious building which incorporates all the safety features like earthquake resistance and fire prevention with the best available present-day technology in India. Each floor has only four classrooms to keep noise level low, fully-equipped labs and staff rooms for the faculty. A large 'Computer Centre' and some of the labs are located at the lower ground floor. There are additional facilities like an independent Internet lab & Projects Lab for the students.

Department of Applied Sciences

Applied Sciences are the backbone of Engineering. The Department of Applied Sciences in Maharaja Surajmal Institute of Technology comprises of Physics, Chemistry, Mathematics, English, Organizational Behaviour and Mechanical Engineering. All the laboratories have up-to-date experimental setups to expose the students to new trends in the field of applied sciences. The workshop is also equipped with the stateof- the-art machines. A new Computer laboratory has been set up exclusively for the first-year students to cater to the additional academic load. The laboratory is equipped with systems of latest configuration. To enhance the communication skills of the students, a Language lab has been setup with the state of the art infrastructure.

Various laboratories in the Department are:
• Physics Lab • Chemistry Lab • Applied Mechanics Lab • Computer Lab • Workshop • Engineering Graphics Lab • Language Lab.

Department of Electronics & Communication Engineering

Electronics & Communication Engineering forms the fulcrum of the modern-day technology. The Department comprises of the following laboratories for the students for their hands-on learning.

Various labs in the Department are:

Microprocessor & Microcontroller Lab, Electronic Devices Lab, Consumer Electronics Lab, Project Lab, Analog Electronics Lab, Microwave Engineering Lab, VLSI Lab, Communication Systems Lab, DSP Lab, Control Engineering Lab.

Department of Computer Science & Engineering

Department of Computer Science & Engineering is keeping pace with the current global technologies. Keeping in view the new technological developments, the syllabus of certain subjects has been upgraded and some new subjects have been added so that the students can take maximum benefit from them and enhance their knowledge and polish their technical skills. The Department has well equipped computer labs. Every lab is fully air conditioned and

provided with sufficient number of computer systems along with the needed software.

CN/OOPS Lab, Operating System Lab, Project/DMBI Lab, STQA/ PPL Lab, ADA/DBMS Lab, JAVA Lab, Data Structures / Web Engg. Lab, Software Engineering Lab / Machine Learning Lab, Information Security / Mobile Computing Lab.

Department of Information Technology

Information processing is the basic need for all the present-day technologies such as Mobile Communication, Satellite Communication and Internet Technology etc. Department of Information Technology plays an important role in molding the future technocrats to take up the global challenges in the field of information processing. In order to attain this mission, Department is well developed with the state-of-the-art software and computers with advanced configurations. It has an Internet & Project Lab, which enables information accessing for the students and faculty of the college. Various laboratories in the department are well networked.

COA/WE Lab No.107, Networking Lab (#108), Programming Lab (#110 - 1stFloor), DBMS/SE Lab, Networking & Computing Lab / Selected Topics of Recent Trends in IT Lab, Data Structure Lab / Probability, Statistics and Linear Programming Lab, Project Lab.
Department of Electrical Engineering

The Department of Electrical Engineering was formed in 2006 under the guidance of Prof. Kartar Singh with an intake of 60 students. Today the department is actively engaged in research and teaching activities in the field of Power Systems, High Voltage Engineering, Advanced Control Systems, Power Electronics and Drives, Signal Processing and Energy Studies.

Power Systems Lab, Soft Computing Lab/Scientific Computing Lab./ Advanced Control Lab., Power Electronics Lab, Circuits & Systems Lab, Electrical And Electronics Measuring Instruments Lab., Electrical Machines Lab., Electrical Drives Lab., Utilization Of Electrical Energy Lab,

Maharaja Surajmal Central Library (MSCL)

Maharaja Surajmal Central Library (MSCL) was started in the year 1982. At present, MSCL library maintains well-accomplished stock of Text and Reference Books, Project Reports, Journals & Periodicals, Audio-Visuals, CDs, E-Resources etc. pertaining to different topics of educational programs. The library is also an Institutional Member of the Developing Library Network (DELNET) since 2015.

MSCL supports the teaching of two Institutes namely, Maharaja Surajmal Institute and Maharaja Surajmal Institute of Technology.

The Central Library is located at First Floor (MSI Building) and Book-Bank at 3rd Floor in the same building.

Library's Salient features

1. Fully Air-Conditioned Reading Rooms.
2. Wi-Fi enabled Library &Book-Bank.
3. Huge Collection of Rare Research Books on Humanities.
4. Book-Bank Facility.
5. Open Access System having Books arranged according to Call No./subject (i.e. as per DDC).
6. Fully computerized Library.
7. Access to Online/E-Journals, NPTEL, NDL, Subject Notes, Previous Year Question paper and other useful E-Resources through 30 computers with internet connectivity.
8. WebOPAC: All the books/journals/CDs, etc. are searchable by Author, Title, Subject, Keyword.
9. Online document Reservation System through WebOPAC.
10. Inter-Library Linkage Facility: Rare Books may be borrowed on loan from other libraries through DELNET Institutional Membership.
11. Eight qualified Library Staff having Post-Graduate degree in Library and Information Science.
12. Up-to-date Library Website linked to Institute's website.
13. ISO 9001: 2015 certified library.

Facilities & Services

1. Subscription to various renowned 1887 online journals from IEEE, Elsevier's Science Direct, and Springer Nature and 5222 E-Books.
2. Library can also arrange rare books from other libraries through DELNET.
3. Scanning & Reprographic Facility.
4. Library Orientation Facility.

5. Current Awareness Service (CAS).
6. Selective Dissemination of Information (SDI).
7. Document Delivery Service (DDS).
8. Library and Book-Bank have the facility access of NDL, NPTEL, Swayam and other useful E-Resources.
9. Library Patrons can borrow the Documents on loan from central library for a specific period.

Collection

1. Rich collection of 64018 books (including 42702 Book-Bank books). One textbook per subject is provided to each student @ Book-Bank.
2. Subscription to 60 renowned Printed Journals.
3. Subscription to 21 General and Technical Magazines.
4. Subscription to 15 Newspapers.

Auditorium

There is a fully air-conditioned auditorium inside the campus with a seating capacity of over 1000 people. It is well equipped with all the modern audio-visual equipment. The auditorium is used for seminars, conferences and cultural functions.

Seminar Hall

The Institute has 3 seminar halls. These fully airconditioned halls have a seating capacity of 150 persons each and are

very well equipped with various modern audio-visual equipments. Both the halls are frequently used for guest lectures and invited talks delivered by experts in different fields of science and technology.

Hostel & Mess

Raja Mahendra Pratap Hostel, an elegant four storey building within the campus, accommodates 250 students, including 100 girl students. The Hostel comprises single and double occupancy rooms to provide a perfect hassle-free stay to the students. The hostel has a lush green sprawling lawn to provide a serene and clean atmosphere to make the students feel comfortable. All the facilities have been aesthetically designed to give a homely environment and perfect locale for learning. Round the-clock water and electricity supply are available in the hostel. Airconditioned guest room for visiting parents, facilities for indoor games, and firstaid facility are the added features of the hostel. A welllaid mess which is hygienically maintained and has good cooking facilities provides homely food at very reasonable rates to the students staying in hostel.

Cafeteria

Whenever students find time during their busy study schedule, they can refresh themselves with tea & snacks in the cafeteria. The cafeteria has been designed to provide a relaxing atmosphere and to enable the students to have discussions on academics and to plan their activities of the day ahead. Having a seating capacity of about 60 students, the cafeteria is well supervised for quality and cleanliness under the caring management of the Institute.

Games & Playground

A healthy mind lives in a healthy body. Games and physical activities are encouraged at MSIT. Apart from the volleyball and basket ball courts a very inviting full size playground, adequate for outdoor games like football, cricket and hockey, is available to the students. This playground is also the venue of our Annual sports meet and many other functions.

Publications

Vision
Vision is the annual magazine of Maharaja Surajmal Institute of Technology. It aims to be a forum for the students express their creativity with and beyond the themes of technology.

MSIT Journal of Research-(Satyam)
Satyam Journal is a refereed, peer- reviewed research journal with ISSN number 2319-7897 published annually by Maharaja Surajmal Institute of technology. Multi-disciplinary in its scope the Journal aims to provide a vibrant platform for dynamic qualitative and quantitative research for both faculty as well as students.

ICON
It is an annual magazine published by MSIT IEEE student branch. The aim of the magazine is to publicize the events conducted by IEEE MSIT student branch over a span of entire year. It includes various technical, social activities like technical project exhibition, SIG's conducted,workshops and seminars organized, achievements of students like including scholarships or free online course coupons and activities organized in various schools. It provides students an opportunity to grill their skills, work together on projects related to interdisciplinary themes.

Reflection
It is quarterly published newsletter of Maharaja Surajmal Institute of Technology. It includes various activities like faculty achievements, student achievements, various events conducted by departments including seminars, workshops, quiz, mocktests, expert lectures.

Research Publication by Faculty Members of MSIT, 2024

Papers published in International Journals	=	105
Papers published in Conferences	=	54

4. Department of EEE — Electrik.

Student's Grievances Redressal Policy

Objectives

1. To develop a frame work for resolving the genuine grievances of students and stake holders (parents, teachers etc.)

2. To provide a quick, fair and satisfactory solution in response to the grievances of students and stake holders.

3. To promote growth of all by creating a positive environment.

Grievance Categories

The complaints/grievances may fall in the following categories:

1. Academic issues: relating to teaching learning.

2. Any matter related to Students'-teacher; student-student; student–parent relationship.

3. Internal evaluation and marking.

4. Grievances related to hostel, food, water, electricity etc.

5. Any matter related to sports, cultural activities.

6. Grievance related to delay in issue of records/documents or behavior of staff.

Procedure for Grievance Redressal

- An aggrieved stake holder (student, parent, and teacher) shall register his/her complaint through online portal whose link is displayed at prominent places in the institute. Also, he/she may alternatively approach any of the team members of grievance redressal committee of theinstitute, whose details (mobile no., email id) are displayed at prominent places in the instituteaswell ason institutewebsite.

- The committee chairman will fix a date for hearing the complaint which will be communicated to all concerned either in writing or electronically, as feasible.

- Thereafter, the chairman of committee will place the matter before the committee members. All the related facts will be verified and the statements of all involved will be recorded. The committee shall try to redress the grievance within a reasonable time.

- The committee shall observe law of natural justice and conclude with a fair unbiased decision.

- In case of any false complaint, appropriate action may be taken against the complainant.

- The decision may then be communicated to the concerned.

- If the complainant is not satisfied with the decision of committee, then he/she may approach the Director of institute or may even follow the GGSIPU Grievance Redressal Committee notified on the institute/university website.
