

# 2<sup>nd</sup> National Conference on Recent Trends in Climate Change, Energy and Sustainability (NCRTCES)

## CALL FOR PAPERS

**Submit by 24<sup>th</sup> December, 2025**

You are cordially invited to participate in the National Conference on Recent Trends in Climate Change, Energy and Sustainability (NCRTCES) 2026 to be held on

**27-28 February 2026**

**MAHARAJA SURAJMAL INSTITUTE OF TECHNOLOGY**

**C-4, Janakpuri, New Delhi, India**

**NCRTCES 2026** aims to address critical and unresolved research questions in the domains of climate, energy, and sustainability, while fostering innovative approaches and technological solutions. The conference will also explore the role of Artificial Intelligence and Computational Intelligence in driving environmental sustainability and energy efficiency. By bringing together researchers, academicians, and industry professionals, the conference provides a vibrant platform to present original research contributions, exchange knowledge and engage in meaningful dialogue.

### CONFERENCE TRACKS

- **Track 1:** Climate Change : Extreme Weather and Environment
- **Track 2:** Energy Efficiency and Conservation
- **Track 3:** Weather forecasting & Information Management
- **Track 4:** Sustainability ,Environment & Ecosystem Management
- **Track 5:** Artificial Intelligence & Machine Learning
- **Track 6:** Computer Science Applications in Climate Data and Weather Forecasting
- **Track 7:** Recycling, Reuse & Resource Recovery
- **Track 8:** Waste-to-Value Innovations
- **Track 9:** Lightning Science, Impacts & Safety Technologies

### PAPER SUBMISSION GUIDELINES

- Paper must be in IEEE format.
- Submissions will undergo a standard peer-review process.
- Author details (name, affiliation, email, etc.) must be entered during submission.
- Accepted and presented papers will be published in a reputed conference series.
- All accepted and presented papers will be published in a special issue of Satyam Journal (ISSN: 2319-7897).
- **Few good quality accepted and presented papers will be selected, and after further reviewing will be published in Scopus indexed proceedings (processing fee applicable).**
- **Selected high-quality papers will, after further review, be considered for publication in Scopus/SCIE indexed journals, including:**

- **JoVE Journal (Special issue on Innovations of AI and ML for Sustainability) (SCIE)**
- **MAPAN: Journal of Metrology Society of India (SCI)**
- **Proceedings on Engineering Sciences (Scopus)**
- **Recent Patents on Engineering (Special Issue on Advances in Engineering Innovations and Patents for Artificial Intelligence, Sustainability, and Smart Systems) (Scopus)**

- The paper submitted for the journal must be in scope of the journal.
