Call for interviews for Software Development Cell

Software Development Cell (SDC) of MSIT is looking for students having good knowledge of developing web applications in Django and JavaScript. The selected student will be working on live projects which will be used by MSIT faculty as well as students in future.

The students who wish to be part of SDC can register in the link given below by 22 Sept.2022.

<https://forms.gle/6F8sdUkDBfJJwSp68>

Only the shortlisted students will be called for interview.

Dr. Naresh Kumar
Convener, SDC
