

Applied Sciences Department: Seminar Report

S. No.	FDP/Seminar for Faculty	Organization/ Industry	Date
1.	Outcome based education	Prof. Arshad Noor Siddiquee	8/2/25

1. Seminar on “Outcome based education”

The Department of Applied Sciences organized a seminar talk on “**Outcome based education**” on Saturday, 8th February, 2025. The highly educative and interesting lecture was delivered by accomplished NBA expert Prof. **Arshad Noor Siddiquee**. In the lecture, students and faculty present uncovered the strategies, the wisdom, and the invaluable lessons that Prof. Arshad has distilled from his extensive experience in NBA accreditation. They all explored the significance & importance of terms in our academic curriculum and also involved in NBA accreditation process such as CO, PO, PSO & PEO. Together, we all absorbed the wisdom that our esteemed speaker brought to the table, embracing the insights that would empower us to not only navigate but excel in these vital facets of our academic lives. Dr. Brijpal Singh, HOD, Applied Sciences Department proposed the vote of thanks.

Coordinated by: Dr Ajay Gahlot (Applied Sciences Deptt.)
