

Relief from the Heat, Respect for the Hustle! ❁

NSS MSIT and Eco Club MSIT- PRAKRITI successfully conducted a cotton gamcha/headscarf distribution drive for rickshaw and auto drivers outside our campus on **20th May 2025**.

As part of our outreach and social responsibility efforts, **Prakriti – the Eco Club**, in collaboration with the **NSS Cell of MSIT**, organized a **cotton gamcha/headscarf (safa/cloth) distribution drive** for the **rickshaw and auto drivers** operating outside the MSIT campus. This thoughtful initiative aimed to provide **some relief from the scorching summer heat** faced by those who work long hours outdoors.

The event took place at 12:00 noon outside Main Gate and witnessed enthusiastic participation from NSS volunteers.

The event was graced by the presence of Management Surjmal Memorial Education Society and Prof. Archana Baliyan, Director of MSIT, who appreciated the efforts of the students and motivated them to continue engaging in socially impactful activities. She emphasized the

importance of small, meaningful gestures that directly benefit the community.

Through this simple yet impactful gesture, **NSS MSIT** and **Prakriti – The Eco Club** demonstrated their shared commitment to environmental consciousness, empathy, and communism.

The recipients expressed their gratitude, sharing how such simple, thoughtful gestures go a long way in helping them endure the extreme weather conditions they face daily.

The drive was not just an act of distribution, but a moment of meaningful interaction between students and the community. Volunteers personally handed over the cotton headscarves with warm conversations and smiles, making the experience more human and heartfelt.
