Attended Participants	113/129 (87.5%)

The Department of Information Technology at Maharaja Surajmal Institute of Technology, New Delhi, successfully organized a technical talk titled "Effective Usage of IEEE Xplore Digital Library Platform with (ASPP Online)". The session was organized by Dr. Jyoti Khurana (Asst Prof. IT Department) under the guidance of Prof. Dr. Prabhjot Kaur (HOD IT Department). The event aimed to equip students and faculty with the skills needed to leverage the full potential of the IEEE Xplore Digital Library for academic and research purposes.

The guest speaker for the session was Mr. Ritesh Kumar, from IEEE Client Services at EBSCO Information Services. He provided an in-depth, practical walkthrough of the platform's powerful features.

Mr. Ritesh have highlighted the following key areas:

- **Platform Introduction:** A brief overview of IEEE and the significance of the IEEE Xplore Digital Library was provided.
- **Live Demonstration:** Mr. Kumar shared his screen to demonstrate the various time-saving features of the library in real-time.
- **Advanced Search Techniques:** The session covered how to use facets to 'drill down' and retrieve precise articles from over 5 million available texts.
- **Personalization Features:** Attendees were shown how to build personal libraries of articles for future reference and how to set up alerts for new content in their journals of interest.
- **Efficient Reading:** The benefits of using HTML articles for quicker navigation and discovery were highlighted, allowing users to interpret papers in under 60 seconds.
- **Accessibility:** The talk also touched upon IEEE Remote Access and the growing collection of new, fully open-access journals.
- **Interactive Quiz:** The session concluded with an engaging live quiz to test the participants' understanding of the platform, with prizes for the winners.

The online technical talk was a resounding success, proving to be both insightful and highly practical. The live demonstration and interactive quiz fostered active participation among the attendees. The session successfully demystified the extensive features of the IEEE Xplore platform, empowering students to conduct more effective and efficient research. Congratulations to Akshat Ranjan for winning the concluding quiz.

Special thanks to Mr. Ritesh Kumar for his expert guidance and to the IT Department for organizing this valuable session.
