

## Seminar on ‘Emerging Opportunities through GATE and Preparation Strategy’

Dated: 24<sup>th</sup> March 2026

The Department of Electronics and Communication Engineering (ECE), Maharaja Surajmal Institute of Technology, organised an informative seminar on “Emerging Opportunities through GATE and Preparation Strategy” on 24th March 2026, from 1:00 PM onwards, in the Seminar Hall for 3<sup>rd</sup> and 2<sup>nd</sup> year students. The objective of the session was to raise students' awareness of various career opportunities available after engineering and to guide them in preparing for competitive examinations.

The seminar focused on highlighting important career paths for engineering graduates, including opportunities through **GATE (Graduate Aptitude Test in Engineering)**, **ESE (Engineering Services Examination)**, **Public Sector Undertakings (PSUs)**, **State Service Commissions**, and **IT/Private sector jobs**. It was emphasized that numerous opportunities exist through competitive examinations, government organizations, and leading corporate sectors. The speaker provided detailed insights into the salient features of various competitive exams, including exam patterns, eligibility criteria, and selection procedures. Students were guided on how to understand the structure of these exams and plan their preparation accordingly. A major highlight of the seminar was the discussion on effective strategies for competitive exam preparation. The speaker stressed the importance of conceptual clarity, regular practice, time management, and consistency. Practical tips such as solving previous year papers, taking mock tests, and maintaining a structured study plan were also shared.

The session also included a detailed discussion on how students can kickstart their careers by choosing the right path based on their interests and strengths. The seminar proved to be highly beneficial in motivating students and providing a clear roadmap for achieving their career goals.

The session concluded with an interactive question-and-answer round, where students clarified their doubts and received valuable guidance. The department extends its sincere appreciation to the speaker for delivering an insightful and motivating session.
