Target Audience	IT, 6th Semester (Batch: 2023–2027)
Organized by	Prof. Prabhjot Kaur (HOD, IT Dept.)
Attended participants	70/124 (56.45% Attendance)

The Department of Information Technology at Maharaja Surajmal Institute of Technology organized a seminar on the **National Board of Accreditation (NBA)** on 10th April, 2026, in Room No. 307. The session was delivered by **Ms. Priyanka Kalkandha, Assistant Professor, Department of Information Technology.**

The seminar began with an introduction to NBA, highlighting its establishment in 1994 and its role in ensuring quality education in technical institutions. It was explained that NBA became an autonomous body in 2010 and focuses on evaluating programs based on defined standards and continuous improvement.

The concept of accreditation was discussed as a process of quality assurance, ensuring that institutions meet required standards. The importance of NBA was emphasized in terms of improving career opportunities, enhancing institutional credibility, and aligning education with global standards. The international significance of NBA was also highlighted through its association with the Washington Accord.

A key part of the seminar focused on Outcome-Based Education (OBE), where emphasis is placed on what students are expected to achieve. The process of defining outcomes, designing curriculum, teaching, and assessment was explained clearly.

The speaker also discussed:

- Vision and Mission of the institute and department
- Program Educational Objectives (PEOs) as long-term career goals
- Program Outcomes (POs) as essential graduate attributes
- Program Specific Outcomes (PSOs) as branch-specific skills
- Course Outcomes (COs) as subject-level learning outcomes

These concepts helped students understand how academic learning is structured and evaluated.

The seminar concluded with an emphasis on the importance of NBA accreditation in improving the quality of education and increasing global opportunities for students. Overall, the session was highly informative and provided valuable insights into academic structure and career development.
