Guru Gobind Singh Indraprastha University (GGSIPU) has implemented a new academic scheme for B.Tech programs starting from the academic session 2021-2022. The new scheme is designed to be more flexible and interdisciplinary, in line with the National Education Policy (NEP)-2020. Under the new scheme, students have options to pursue a B.Tech degree in one of the following ways:

1. **B.Tech Degree:** The traditional B.Tech degree, which students can earn by completing all of the required courses in their chosen program.
2. **B.Tech with Minor Specialization:** Students can earn a B.Tech degree with a minor specialization by completing all of the required courses in their chosen program, as well as additional courses in a specific minor specialization area.
3. **B.Tech (Honors):** Students can earn a B.Tech degree with honors by completing all of the required courses in their chosen program, as well as additional online NPTEL MOOC courses.
4. **B.Tech with Minor Specialization (Honors):** Students can earn a B.Tech degree with honors and a minor specialization by completing all of the required courses in their chosen program, as well as additional courses in a minor specialization area and another area.
