

MAHARAJA SURAJMAL INSTITUTE OF TECHNOLOGY

Department of Information Technology

Seminar Report

Topic Name	DevOps: Code to Cloud - Tools, Automation, & Career Opportunities
Type of Activity Seminar / Webinar / Workshop	Seminar
Name of the Expert	Mr. Amit Dahat
Mode, Date and Time	Offline (19 th August 2026), 11:00 AM to 12:00 PM
Target Audience	IT-1 and IT-2
Organized by	Prof. Tripti Sharma, Dr. Anupama, Kaushik, Dr. Jyoti Khurana
Attended Participants	96/120 (80%)

The Department of Information Technology and III cell organized a seminar on “DevOps: Code to Cloud - Tools, Automation & Career Opportunities” on 19th August 2026, in offline mode, from 11:00 AM to 12:00 PM.

**Department of Information Technology
and III – Cell**

SEMINAR

**DevOps: Code to Cloud — Tools, Automation
& Career Opportunities**

 **19th August, 2026**
11:00 AM – 12:00 PM

 **Room No. #310**

Organiser:
Prof. Tripti Sharma
(H.O.D. IT Dept.)
Dr. Anupama Kaushik
(Convener, III – Cell)
Dr. Jyoti Khurana
(Asst. Professor, IT Dept.)

Organised by:
Department of Information Technology
and III Cell

SPECIAL SPEAKER
Amit Dahat
Technical Program Consultant
NIELIT – Kyndryl

The Department of Information Technology, in association with the III Cell, organized a seminar on “DevOps: Code to Cloud – Tools, Automation & Career Opportunities” on 19th August 2026, from 11:00 AM to 12:00 PM in Room No. 310. The seminar featured Mr. Amit Dahat, Technical Program Consultant at NIELIT–Kyndryl, as the special speaker.

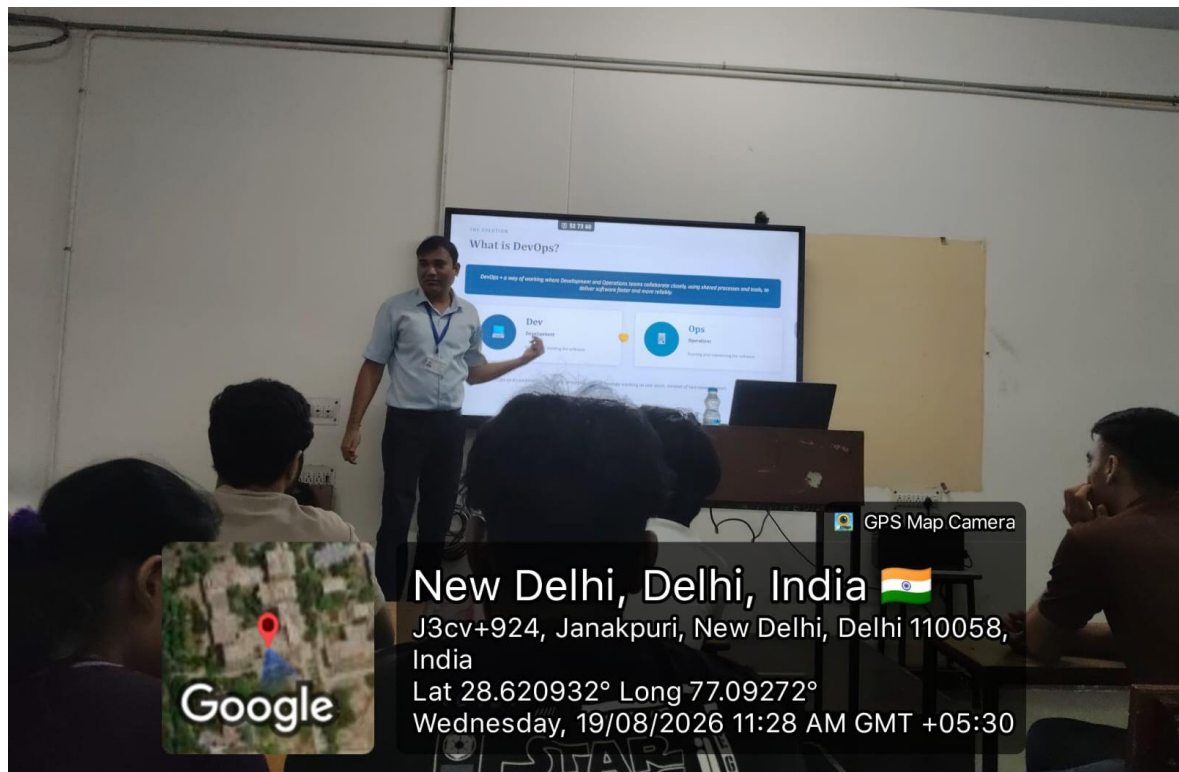

The session focused on introducing students to the rapidly evolving field of DevOps and its importance in modern software development and IT operations. The speaker discussed various DevOps tools, automation techniques, CI/CD practices, cloud technologies, and the role of efficient collaboration between development and operations teams.

The seminar also highlighted the skills and knowledge required to build a successful career in DevOps and cloud computing, giving students an understanding of current industry trends and professional opportunities. The interactive session provided students with practical insights into how software applications move from development and testing to deployment and cloud infrastructure.

The event was organized under the guidance of Prof. Tripti Sharma (H.O.D., IT Department), Dr. Anupama Kaushik (Convener, III Cell), and Dr. Jyoti Khurana (Assistant Professor, IT Department), with the objective of strengthening students’ technical understanding and connecting academic learning with real-world industry practices.

Dr. Anupama Kaushik
IIC Convener

Prof. Tripti Sharma
(HOD, IT Dept.)

Dr. Jyoti Khurana
